Austin Community College is a public two-year institution that serves a diverse population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Reflects the diversity of our community
- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for under-represented populations
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Commitment to Equity and Inclusion

ACC is committed to the ongoing systemic changes needed to ensure the increased recruitment, inclusion, retention, and completion of historically underserved and underrepresented populations. Through continual strategic community engagement and professional development of administrators, faculty, staff, and students, the college demonstrates its dedication to fostering a culture and climate for equitable outcomes.

ACC is proud to serve a diverse student body as an open-access and low-cost institution. Dedicated faculty members are excellent professors who help students achieve their educational goals and are sensitive to our students' diverse cultures and socio-economic backgrounds. In 2017 our faculty adopted a Statement of ACC Faculty Values. This Statement affirms that ACC's faculty members value collaboration, service, agency, scholarship, inclusion, and teaching, all of which attest to our commitment to equity, diversity, and inclusion at the heart of our mission.
