committee at their request.

The Foothill-De Anza Community College District is currently accepting applications for the faculty position of **Instructor/Program Director - Diagnostic Medical Sonography, Foothill College.**

The Foothill - De Anza Community College District does not have a remote work policy. All employees are expected to be available to work in person and on-site per the requirement of the department.

Foothill - De Anza Community College District Mission Statement:

The mission of the Foothill-De Anza Community College District is student success. We are driven by an equity agenda and guided by core values of excellence, inclusion, and sustainability. Every member of our district contributes to a dynamic learning environment that fosters student engagement, equal opportunity, and innovation in meeting the various educational and career goals of our diverse students. We are committed to providing an accessible, quality undergraduate education dedicated to developing a broadly educated and socially responsible community that supports an equitable and just future for California.

Foothill College Mission Statement:

Embracing inclusivity and building strong communities, Foothill College serves diverse learners and equips its students with critical thinking skills to address complex societal challenges, to thrive in the global workforce, and to engage in a life of inquiry.

DUTIES AND RESPONSIBILITIES OF THE POSITION INCLUDE:

Under the direction of the Dean of Health Sciences and Horticulture, responsible for the structure and daily operation of the program, including organization, budget, administration, periodic review and evaluation, continued development, and general effectiveness of program curricula. Develop and maintain in-person and online courses and distance learning partnerships and assess and order textbooks and supplies. Responsible for meeting accreditation standards with JRCDS under CAAHEP, including statistical data, annual reports, accreditation, and site visitation assessment. Work closely with clinical instructors involved in clinical assignments of students and be the liaison and ensure effectiveness of all clinical affiliates/clinical education centers between the college, program and management. Responsible for contracting with and establishing new contracts with various medical facilities for student assignments. Ensure students meet health, immunization, background check and other onboarding requirements of the clinical education centers. Oversee the hiring and management of part-time faculty. Work with stakeholders including district and college management,
