Austin Community College is a public two-year institution that serves a multicultural population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for populations including; first generation college students, low-income students, and students from underserved communities.
- Focused on student academic achievement and postgraduate outcomes
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Job Posting Title:

Adjunct Faculty, Building Construction Technology

Job Description Summary:

The Building Construction Technology Department prepares students to enter the competitive construction job market as assistant superintendents, cost estimators, and construction schedulers. Experienced students and those with no prior experience receive extensive, hands-on curriculum, gaining knowledge and skills that prepare them for working in the construction industry.

Job Description:

Principal Responsibilities and Duties

- Prepare and teach courses in the field of **Building Construction Technology** to a diverse and multicultural student population based on the department's approved course learning outcomes, utilizing a variety of instructional strategies appropriate to the needs of community college

students and the standards of the discipline.

- Participate actively in departmental responsibilities and departmental governance, including curriculum review and revision, program review, assessment of student learning outcomes at the course and program level, and other departmental activities.
- Evaluate student progress and provide clear, timely feedback reflecting program learning outcomes and departmental expectations.
- Serve as a mentor to students in the **Building Construction Technology** program.
- Provide teaching and mentoring services to students in a manner which does not discriminate based on race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, political affiliation, or other protected categories.
- Remain current in the field through a variety of professional development activities.
- Support division and department goals through active and collegial engagement in decision-making and unit-level planning.
- Serve on college-wide and departmental committees, councils, work groups, and task forces.
- Perform other related tasks as assigned by the department chair, dean, and/or associate vice chancellor, vice chancellor, executive vice chancellor.

Technology

- Demonstrated proficiency using computer applications, online resources, and other technologies for the classroom.
- Demonstrated proficiency using an online learning management system such as Blackboard to develop and build course content and perform administrative duties (posting office hours, syllabi, etc.)

Principal Professional Standards

- Appropriate use of the college's learning management system.
- Meet deadlines for attendance certification and submission of final course grades.
- Participate in graduation, general assembly, and other official college functions.
- Maintain regular office hours to assist students and improve student retention and success.
- Attend and participate in collegewide, campus, department, or other activities and meetings.
- Recognize and reflect standards of civility and collegiality in all interactions.
- Comply with published college policies and procedures and meet professional standards for

teaching in a community college.

Required Education

In accordance with Southern Association of College and Schools Commission on Colleges (SACSCOC) requirements:

- Master's Degree, Bachelor's degree, or Associate degree in Construction Science, or related disciplines.

SACSCOC requirements may differ depending on the courses taught within the discipline.

Required Work Experience

In accordance with Southern Association of College and Schools Commission on Colleges (SACSCOC) requirements:

- Three years of non-teaching, industry-related work experience within the Construction industry.

Qualities of a Successful Candidate

- Ethics, integrity, and sound professional judgment.
- A commitment to establishing and maintaining positive working relationships with students, colleagues, and staff representing diverse ethnic, cultural, and socioeconomic backgrounds.
- Dynamic, non-traditional instructional delivery methods to teach students of widely varying levels of proficiency and from various backgrounds and abilities.
- Appropriate and up-to-date knowledge of the discipline and subject matter.
- Experience using technology as an instructional aide where appropriate to enhance learning.
- Documented experience with active and applied teaching and learning methodologies.
- A strong commitment to teaching in a community college setting, including teaching practices that reflect an understanding of the multicultural classroom and the benefits of cultural awareness and sensitivity in the classroom and the workplace.
- Commitment to a culture of care for all.
- Commitment to the comprehensive mission of Austin Community College and to the principles and practices associated with Servant-Leadership.
