- Prepare and distribute syllabi which inform students about course requirements, grading requirements, testing assignments, attendance policy, and other information for each course assigned.
- Prepare, administer, and grade assignments, assessments and examinations in a timely manner to inform students about their progress.
- Encourage use of support services by students.
- Maintain the lab space as needed to ensure the appropriate supplies are on hand and accessible.
- Implement and evaluate daily lesson plans for students to include scheduled activities and materials of modules.
- Plan instruction to achieve specific objectives based on established curriculum and the educational needs of the students
- Monitor students' attendance in the program and coordinate with Program Manager when a student's absences surpass two. Prepare attendance reports weekly for the Healthcare Professions Administration.
- Review student success rates and implement a plan to reduce student withdrawals. Meet with students to encourage them to stay in the program. Maintain an 80% student success rate for all classes taught in the program.
- Maintain student grades by established policies. Prepare final grades at the end of each module to update student records and transcripts.
- Evaluate students' performance regarding achievements in curriculum and activities and make necessary provisions to meet learning needs.
- Assist in the arrangement of dental office observations, should such events occur.
- Prepare lectures and practical demonstrations for students in class and individually.
- Assist and advise a student with the Dental Assistant program curriculum.
- May assist with the inventory and ordering of supplies and equipment.
- Monitor students in the laboratory. Demonstrate and assist students with lab procedures and ensure safety precautions are adhered to.

Minimum Education, Experience, Knowledge, Skills & Abilities

- High School Diploma or equivalent (G.E.D)
- Three (3) years of experience working as a Registered Dental Assistant
- One (1) year of experience teaching or training other Dental Assistants
- Must possess a current Registered Dental Assistant (RDA) license
- Knowledge of current principles and practices of teaching
- Must have a thorough and detailed knowledge of the subject material
- Must have excellent communication skills, both oral and written
