Job Description

The Santa Clarita Community College District/College of the Canyons is seeking a full-time tenure track instructor in the Computer Science department. The ideal candidate will share our college's commitment to educating the more than 32,000 racially and socioeconomically diverse students we enroll each year. Currently, our student body is approximately 45.4 percent Latinx/Hispanic, 32.2 percent White, 6.3 percent Asian, 5.5 percent African-American, 4.5 percent Pacific Islander, 2 percent multi-ethnic, and less than 1 percent Native American. The college was designated a Hispanic Serving Institution in 2015, reflecting our focus on enhancing the educational attainment and economic well-being of the community we proudly serve. As one of 20 community colleges in the state selected for the California Guided Pathways Project, we are focused on enhancing equity and implementing policies and practices that help all students achieve successful academic outcomes.

Position # ACA18-307

Review Date: April 18, 2019

This is a 10-MONTH professional, full-time tenure track position beginning Fall 2019. The position may include a combination of teaching, department, college, and community leadership functions. Assignment may include day, evening, and weekend duties at all District sites.

Duties of the Position:

Teach transfer level courses in Computer Science (see CSU/UC Computer Science Transfer Degree)
Maintains office hours and participates in department, division, and college committees and governance.

Participates in and implements departmental and college program reviews.

Participates in additional faculty responsibilities, including college decision-making activities related to professional and academic matters. The activities will occur both within the department as well as in the larger College setting.

Performs other duties as assigned.

Minimum Qualifications:

Master's in computer science or computer engineering

OR

Bachelor's in either of the above AND Master's in mathematics, cybernetics, business administration, accounting or engineering

OR

Bachelor's in engineering AND Master's in cybernetics, engineering, mathematics, or business administration

OR

Bachelor's in mathematics AND Master's in cybernetics, engineering, mathematics, or business administration

OR

Bachelor's degree in any of the above AND Master's in information science, computer information systems, or information systems

OR

Equivalency: Any Master's degree from an accredited institution of higher education AND successful completion of 24 semester units in the discipline at the upper division and graduate level, a minimum of which must be 12 graduate level semester units.
