Transcripts: Applicants must electronically attach scanable unofficial transcripts when applying to this posting.

Work Hours (for hourly positions): Days and hours vary according to class schedule and the needs of the College and Department.

Salary Grade: Per Contract

Job Category: Adjunct/Faculty

Employment Type: Adjunct Part-Time

General Summary: The primary responsibilities of the faculty are to teach and to develop the curriculum. To meet these responsibilities, faculty must remain knowledgeable about advances in their disciplines, in learning theory, and in pedagogy. Faculty portfolios will include contributions and program development and show evidence of ongoing professional development.

Requirements:

Master's degree preferred in engineering technology discipline or related field. Minimum requirement is a bachelor's degree with 3 years of experience in engineering or engineering technology field. Recent surveying experience is required for full-time civil engineering positions. Discipline competency demonstrated through education, work experience, professional projects, licensure or degrees required for all adjunct faculty positions. The ability to communicate complex engineering concepts at an introductory level is a requirement.

(Microcomputer electronics technology (MIT) instructor)

For adjuncts teaching MIT107 Electronic Fabrication: Bachelor's degree preferred in Electrical/Electronic engineering technology discipline or a closely related field. Minimum requirement is an associate degree with 1-3 years of experience in Electrical/Electronic engineering technology or a closely related field. Discipline competency and experience in soldering and Electronics is required.

Applicants for teaching assignments are expected to have strong communication skills. Applicants are expected to have post-secondary teaching experiences; work experiences in the discipline to be taught; and knowledge of industry-related software and systems, including industry certifications, where appropriate. Degrees must be from an accredited institution.

Duties:

1. The primary responsibilities of faculty are to teach and to develop the curriculum. Prepare and provide students with course outlines that support learning objectives set forth in the course syllabus. Develop and measure learning outcomes. Assess student performance and maintain grade records.
2. Create an effective learning environment through the use of a variety of instructional methods.
3. Collaborate in the development and continued assessment of learning outcomes for use in program reviews and curriculum revision.
4. Work with other program and/or discipline faculty to complete scheduled program reviews and to use the findings to revise the curriculum.
5. Participate in appropriate professional development activities to assure currency in both discipline, knowledge and instructional methods.
6. Participate in department/discipline, division, campus, and college meetings and committees.
7. Participate in college projects, surveys, studies, and reports that relate to the discipline or program.
8. Collaborate in the development of program and/or discipline promotional materials.
9. Support the college's goals.
10. Perform other related duties as required or assigned.

Clearances: Current criminal record/child abuse clearances will be required if offered the position and in order to be employed at the College. The three clearances are Pennsylvania Child Abuse History Clearance, Pennsylvania State Police Criminal Records Check, and Federal Bureau of Investigations (FBI) Criminal Background Check. The College has provided instructions on how to obtain these clearances and are available
