Work Hours (for hourly positions): Days and hours vary according to class schedule and the needs of the College and Department.

Salary Grade: Per Contract

Job Category: Adjunct/Faculty

Employment Type: Adjunct Part-Time

General Summary: The primary responsibilities of the faculty are to teach and to develop the curriculum. To meet these responsibilities, faculty must remain knowledgeable about advances in their disciplines, in learning theory, and in pedagogy. Faculty portfolios will include contributions and program development and show evidence of ongoing professional development.

Requirements:

5 years experience and EPA Refrigerant Usage Certification.

Applicants for teaching assignments are expected to have strong communication skills. Applicants are expected to have post-secondary teaching experiences; work experiences in the discipline to be taught; and knowledge of industry-related software and systems, including industry certifications, where appropriate. Degrees must be from an accredited institution. Adjunct faculty are hired to teach specific courses and may not meet all the minimum criteria specified for full-time faculty hired to teach the full range of discipline courses.

Duties:

1. The primary responsibilities of faculty are to teach and to develop the curriculum. Prepare and provide students with course outlines that support learning objectives set forth in the course syllabus. Develop and measure learning outcomes. Assess student performance and maintain grade records.
2. Create an effective learning environment through the use of a variety of instructional methods.
3. Collaborate in the development and continued assessment of learning outcomes for use in program reviews and curriculum revision.
4. Work with other program and/or discipline faculty to complete scheduled program reviews and to use the findings to revise the curriculum.
