Department: DES2020

Division: Admissions and Records

Job Duties
Summary

Plans, supervises, assesses and evaluates Outreach, Admissions and Records, Financial Aid, and Placement Center programs and services that meet the needs of a highly diverse student population. Oversees, initiates, and administers all department services ensuring compliance with regulations and College objectives. The position also provides complex administrative support to the Vice President, Student Services.

Distinguishing Career Features

The Dean, Enrollment Services reports to the Vice President, Student Services and is responsible for the efficient and effective operations of all Outreach, Admissions and Records, Financial Aid, and Student Placement functions and processes. The position directs the work of a staff consisting of technical and student service-oriented positions.

Essential Duties and Responsibilities

- * Plans, organizes, supervises, and analyzes student service and technical work of the Admissions, Records and Services Office to include but not limited to enrollment, records, registration, evaluation and certification functions. Establishes priorities and adjusts assignments to assure timely completion.
- * Identifies, coordinates, and supervises computer systems, programs, and functions used in admissions, records, attendance, catalogues, course schedules, financial aid, and placement services.
- * Participates in the development of rules and regulations. Ensures accurate interpretations of rules and regulations that govern admissions and records, attendance accounting, graduation, curriculum, and financial aid.
- * Directs and prepares information to faculty and staff regarding procedures for recording and reporting attendance and grades.
- * Directs the Financial Aid office services that provide students with financial aid in the form of loans, grants, employment, and scholarships from state and federal sources. Directs the assessment of satisfactory student academic progress standards, student probation, and student termination as required by financial aid funding agencies.
- * Directs financial aid services including award packaging and accounting functions, and successfully

coordinates delivery of services and advancement of information systems within and including other departments.

- * Develops and facilitates programs and services for the recruitment, retention, and completion and/or transfer of a culturally and socioeconomically diverse student population, including management of ongoing relationships in the designated school districts and other educational institutions.
- * Develops, assesses, and implements annual goals and objectives for promoting programs and services, and ensuring that assessment instruments are state validated.
- * Oversees assessment services that support the matriculation process and processes that validate assessment and placement scores.
- * Verifies that assessment and testing instruments for course placement are valid and comply with regulations and accommodation requirements.
- * Provides leadership in the new and emerging technologies.
- * Leads, supervises, trains and evaluates assigned personnel. Certifies payroll for assigned personnel. Applies the terms and provisions of applicable collective bargaining agreements; state and federal laws; and District Board Policies and Administrative Procedures in personnel matters.
- * Manages admissions and records and financial aid functions to ensure compliance with applicable state and federal laws and regulations, Board policies, and administrative procedures.
- * Participates in the development of enrollment modules and features within ERP integrated data management. Ensures integrity of databases and accuracy of accounts by developing access protocols and continuous testing.
- * Develops, implements, and evaluates procedures and programming for cashiering and security of information and monies received.
- * Serves as a primary designated school official for the Department of Homeland Security (DHS) and other programs.
- * Serves as custodian of official student records and those other records required to be maintained by admissions and records.
- * Supervises procedures for awarding college credit through transfer, examination, and evaluation using articulation agreements and guidelines.
- * Establishes, supervises and maintains systems, policies, and procedures that ensure security, proper handling, and confidentiality of data entry, student information, records, and monies received.
- * Oversees the preparation and distribution of a variety of reports on student enrollment and instructional data. Responds to custom data requests as appropriate.
- * Conducts accounting of student attendance and prepares and submits required reports in compliance with Board policies, administrative procedures, and state laws and regulations.
- * Develops and monitors budgets and maximizes financial resources.
- * Responds to subpoenas of student records.
- * Ensures accuracy of print and online publications related to all areas of responsibility.
- * Anticipates, prevents, and resolves conflicts and problems under areas of supervision.
