#### College Profile

Austin Community College (ACC) is a public two-year institution that serves a diverse population of approximately 41,000 credit students each fall and spring semester. We embrace our identity as a community college as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher

education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

Reflects the diversity of our community.

Values intellectual curiosity and innovative teaching.

Is attracted by the college mission to promote equitable access to educational opportunities.

Cares about student success and collaborates on strategies to facilitate success for underrepresented populations.

Welcomes difference and models respectful interaction with others.

Engages with the community both within and outside of ACC.

### Student Profile

Austin Community College District (ACC) is a Hispanic-Serving Institution. ACC currently enrolls 41,500 students, over half of whom are non-white. In fall 2017, ACC's students were 45% White, 35% Latinx, 8% African-American, 5% Asian, &lt;1% Pacific Islander, &lt;1% Native-American, and 4% multiracial. ACC's designation as a Hispanic-Serving Institution reflects the commitment the college has to supporting our students' educational goals as well as the economic and social well-being of the surrounding communities we serve.

ACC pursues educational excellence by being accountable and committed to achieving diversity in our faculty and staff ranks. ACC seeks to be innovative in all its operations and provides students with guidance and support in achieving success in their educational goals, whether they are seeking a degree, successful transfer, employment or lifelong learning.

The ideal candidate will be eager to work with a diverse student population and will be experienced in culturally-responsive academic practices for engaging with first-generation students and others who have been historically underserved.

### Our Mission

The Austin Community College District promotes student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training in its service area.

For more information, see <http://www.austincc.edu/about-acc/mission-statement>.

### Commitment to Equity and Inclusion

ACC is committed to the ongoing systemic changes needed to ensure the increased recruitment, inclusion, retention, and completion of historically underserved and under represented populations. Through continual strategic community engagement and professional development of administrators, faculty, staff, and students, the college demonstrates its dedication to fostering a culture and climate for equitable outcomes.

As an open access and low-cost institution, ACC is proud to serve a diverse student body. Dedicated faculty members are excellent professors who help students achieve their educational goals and are sensitive to the diverse cultures and socio-economic backgrounds of our students. In 2017 our faculty adopted a Statement of ACC Faculty Values. This Statement affirms that ACC's faculty members value collaboration, service, agency, scholarship, inclusion, and teaching, all of which attest to our commitment to equity, diversity, and inclusion at the heart of our mission.

### Current Work of the Department/Discipline

The Computer Science and Information Technology Division offers on campus, online, and dual credit courses across Central Texas. The Division launched a Bachelors of Applied Science in Fall 2020. In addition, the division has been awarded a grant for developing Apprenticeships in the Capital Area and is also implementing a Computer Fluency program to prepare students with essential skills to enter the workforce. The division will also be developing training for Software Development, Leadership and Problem Solving for the Army Futures Command.

### Job Summary

Responsible to prepare and deliver Networking and Cybersecurity coursework in engaging, innovative, and discipline-appropriate ways that reflect a commitment to success equity, respect for diversity, an

### Principal Professional Standards

Appropriate use of the college's learning management system.

Meet deadlines for attendance certification and submission of final course grades.

Participate in graduation, general assembly, and other official college functions.

Maintain regular office hours to assist students and improve student retention and success.

Attend and participate in collegewide, campus, department, or other activities and meetings.

Recognize and reflect standards of civility and collegiality in all interactions.

Comply with published college policies and procedures and meet professional standards for teaching in a community college.

### Required Education

Austin Community College welcomes all interested applicants who want to teach in a community college setting and engage with a diverse population of learners. Minimal education requirements are in accordance with Southern Association of College and Schools Commission on Colleges (SACSCOC) requirements:

Master's Degree, Bachelor's degree, or Associate degree in Networking or Cybersecurity OR

Master's degree plus 18 graduate hours in one of the disciplines above.

SACSCOC requirements may differ depending on the courses taught within the discipline.

For specific requirements by course and program, please see the current year Faculty Qualifications
