Austin Community College is a public two-year institution that serves a diverse population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

Reflects the diversity of our community

Values intellectual curiosity and innovative teaching

Is attracted by the college mission to promote equitable access to educational opportunities

Cares about student success and collaborates on strategies to facilitate success for under-represented populations

Welcomes difference and models respectful interaction with others

Engages with the community both within and outside of ACC

### Student Profile

Austin Community College District (ACC) is an Hispanic-Serving Institution. ACC currently enrolls approximately 41,500 credit students in each Fall and Spring semester, over half of whom are non-white. In Fall 2017, ACC's students were 45% White, 36% Latinx, 8% African-American, 5% Asian, &lt;1% Pacific Islander, &lt;1% Native-American, and 4% multiracial. ACC is committed to serving all students, including gender non-conforming and LGBTQI students. ACC's designation as an Hispanic-Serving Institution reflects the commitment the college has to supporting our students' educational goals as well as the economic and social well-being of the surrounding communities we serve.

ACC pursues educational excellence by being accountable and committed to achieving diversity in our faculty and staff ranks. ACC seeks to be innovative in all its operations and provides students with guidance and support in achieving success in their educational goals, whether they are seeking a degree, successful transfer, employment or lifelong learning.

The ideal candidate will be eager to work with a diverse student population and will be experienced in culturally-responsive academic practices for engaging with first-generation students and others who have been historically underserved.

### Our Mission

The Austin Community College District promotes student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training in its service area.

For more information, see <http://www.austincc.edu/about-acc/mission-statement>

### Commitment to Equity and Inclusion

ACC is committed to the ongoing systemic changes needed to ensure the increased recruitment, inclusion, retention and completion of historically underserved and under-represented populations. Through continual strategic community engagement and professional development of administrators, faculty, staff and students, the college demonstrates its dedication to fostering a culture and climate for equitable outcomes.

As an open access and low-cost institution, ACC is proud to serve a diverse student body. Dedicated faculty members are excellent professors who help students achieve their educational goals and are sensitive to the diverse cultures and socio-economic backgrounds of our students. In 2017 our faculty adopted a Statement of ACC Faculty Values. This Statement affirms that ACC's faculty members value collaboration, service, agency, scholarship, inclusion, and teaching, all of which attest to our commitment to equity, diversity, and inclusion at the heart of our mission.

### Job Summary

Responsible to prepare and deliver Pharmacy Technology coursework in engaging, innovative, and discipline-appropriate ways that reflect a commitment to success equity, respect for diversity, an understanding of culturally responsive teaching, and knowledge of the teaching field. Meets professional standards for faculty in accordance with college policies and procedures.
