competence in the discipline and teaching methodologies, the ability to retain students and work with a diverse student population and have strong communication skills. Degrees must be from an accredited institution.

Duties:

- * The primary responsibilities of faculty are to teach and to develop the curriculum. Prepare and provide students with course outlines that support learning objectives set forth in the course syllabus. Develop and measure learning outcomes. Assess student performance and maintain grade records.
- * Create an effective learning environment through the use of a variety of instructional methods.
- * Collaborate in the development and continued assessment of learning outcomes for use in program reviews and curriculum revision.
- * Work with other program and/or discipline faculty to complete scheduled program reviews and to use the findings to revise the curriculum.
- * Participate in appropriate professional development activities to assure currency in both discipline, knowledge and instructional methods.
- * Participate in department/discipline, division, campus, and college meetings and committees.
- * Participate in college projects, surveys, studies, and reports that relate to the discipline or program.
- * Collaborate in the development of program and/or discipline promotional materials.
- * Maintain five office hours each week.
- * Support the college's goals.
- * Perform other related duties as required or assigned.

Clearances: Current criminal record/child abuse clearances will be required if offered the position and in order to be employed at the College. The three clearances are Pennsylvania Child Abuse History Clearance, Pennsylvania State Police Criminal Records Check, and Federal Bureau of Investigations (FBI) Criminal Background Check. The College has provided instructions on how to obtain these clearances and are available
