This faculty position is a full-time, 100% FTE (10 Months) Tenure Track position as Instructor of Construction Technology in the Division of Business and Workforce Development located at San Jose City College.

Assignment may include day and evening responsibilities.

This position is represented by the San Jose/Evergreen Federation of Teachers, AFT 6157.

### About Teaching in Construction Technology

The college seeks a faculty candidate who can be a strong partner in achieving the mission and vision of the college and district.

At SJCC, faculty support the college mission to deliver instruction that is student-centered, priority driven, and collaborative. With high quality faculty, SJCC strives to improve student success through a culture of evidence by providing structured educational pathways and continuous support services that align with their educational and career goals and promote responsible global citizenship and civic engagement.

Additionally, faculty in Business and Workforce Development respond to the workforce needs of the Silicon Valley region, while supporting economic mobility of our diverse community. The college offers courses in Residential Construction Framing, Residential/Commercial Wiring, Principals of Contracting, and Blueprint Reading, among others.

### DUTIES AND RESPONSIBILITIES

1. Teach courses in assigned discipline by communicating subject matter clearly and effectively.
2. Adapt methodologies for students with special needs and different learning styles.
3. Use methods and materials appropriate to the subject matter.
4. Use appropriate preparation skills in area of assignment.
5. Adapt to current teaching trends especially the use technology as a teaching and learning tool.
6. Demonstrate commitment to professional development, including but not limited to activities such as: participation in professional conferences, workshops, seminars, membership in professional
