## Position Description

### General Responsibilities:

Under administrative leadership, it is the responsibility of the full-time instructor to conduct assigned classes and participate in the planning, implementation, and evaluation of educational programs, courses and other experiences that will directly result in the educational growth of the students and support advancement of the values represented by the Vision Statement and Mission Statement of the District.

Applications are being accepted for two tenure-track vacancies- 177 day contracts.

*\*Please remember to attach your resume, letter of interest and unofficial transcripts or your application may not be considered.\**

### Duties and Responsibilities

#### Instructional Responsibilities:

- Meet classes and laboratories on days and times assigned per the published class schedule.
- Post, publish in syllabus, and maintain required office hours; advise students enrolled in the instructor's classes in such matters as:
  - Course content, scope and meaning, grading criteria;
  - Major course requirements for degrees or certificates;
  - Strategies to assist students in achieving published SLOs;
  - Collateral or enrichment reading or experience opportunities for further understanding of the course or subject field;
  - Career opportunities related to the subject field.
- Develop and implement instruction for each class and/or laboratory period that fulfills all course requirements contained in the official Course Outline of Record (COR) and is consistent with the academic or vocational program standards and objectives.
- Develop a written syllabus based on the Academic Senate's standards and submit as per District policy.
- Periodically assess and advise students of their progress toward meeting course objectives.
- Respect student rights as specified in District policy and applicable federal and state laws or regulations.
- Submit requisitions for textbooks and instructional materials in a timely manner, according to the approved procedure.

- When appropriate refer students to tutoring and related student services.
- Supervise students in off-campus activities when participation is expected as part of a course requirement or where such supervision is part of the instructor's load.
- Assign and submit grades by deadline in the manner provided by District policy and administrative procedure and prescribed by the Education Code and Title 5 regulations for the State of California.
- Participate in the credit-by-examination process where applicable.
- Participate in prerequisite process per District policy and procedure.
- Keep official records, collect data, and submit records by deadlines as required by District policies and administrative procedures.
- Prepare and submit necessary forms in accordance with college procedures.

**Curriculum Responsibilities:**

- Participate in program review in accordance with District guidelines.
- Participate in the program review process to develop and review current curriculum.
- Review and revise, as necessary, transfer CORs every six years and Career Technical Education CORs every 2 years per Education Code 78016 and 55003.

**Professional Development Responsibilities:**

- Participate in professional development activities to stay current in skills and knowledge as they relate to the discipline, teaching and student learning. Participate in Flex activities and Staff Development Day activities each semester per District policy.

**Additional Responsibilities:**

- Provide the administration with assistance on the evaluation of student petitions and grievances.
- Regularly attend and participate in academic and District meetings.
- Attend and participate in RN Program pinning and College commencement ceremonies.
- Participate in annual advisory committee meetings.
- Participate as a peer evaluator of full-time and part-time faculty as requested.
- Provide recommendations for instructional supplies, equipment and other program support.
- Serve on screening/hiring committees, as needed.
- Participate in the process of participatory governance by contributing to the academic community
