Austin Community College is a public two-year institution that serves a multicultural population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for populations including; first generation college students, low-income students, and students from underserved communities.
- Focused on student academic achievement and postgraduate outcomes
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Job Posting Title:

Adjunct Faculty, Game Design

Job Description Summary:

Responsible to prepare and deliver Game Design coursework in engaging, innovative, and discipline-appropriate ways that reflect a commitment to success equity, an understanding of culturally responsive teaching, and knowledge of the teaching field. Meets professional standards for faculty in accordance with college policies and procedures.

Job Description:

The Game Development, Animation, and Motion Graphics Department is all about training students for the local and national job market. Our top-notch faculty is a who's who of local talent, hardwired into the latest trends and eager to give students the real-world expertise and know-how that comes from years of experience in the business. Our degree and certificate programs are designed by a committee of local digital industry professionals preparing students to jump into the creative industry. Classes within the department can benefit students just out of high school, people who'd like a change of

career, and professionals in the industry who wish to update their creative and technical skills. This position will teach introductory and advanced classes in game design to workforce and transfer students in a comprehensive multi-campus community college. Faculty in this role will be responsible for guiding students to produce portfolio worthy work.

Principal Responsibilities and Duties

- Prepare and teach courses in the field of Game Design to a multicultural student population based on the department's approved course learning outcomes, utilizing a variety of instructional strategies appropriate to the needs of community college students and the standards of the discipline.
- Evaluate student progress and provide clear, timely feedback reflecting program learning outcomes and departmental expectations.
- Provide teaching and mentoring services to students in a manner which does not discriminate based on race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, political affiliation, or other protected categories.
- Remain current in the field through a variety of professional development activities.
- Perform other related tasks as assigned by the department chair, dean, and/or associate vice chancellor, vice chancellor, executive vice chancellor.

Additional Duties

- Responsible to prepare and deliver game design coursework in engaging, innovative, and discipline-appropriate ways that reflect a commitment to success equity, respect for diversity, an understanding of culturally responsive teaching, and knowledge of the teaching field. Instruct students in game design courses in accordance with College policies and procedures.
- This role will train students to fill entry-level industry positions, and/or to gain access into a 4-year Game Development program; maintain game design curriculum to meet industry needs; review and recommend resources to enhance learning environment; and encourage and inspire student & local interest in game design.

Technology

- Demonstrated proficiency using computer applications, online resources, and other technologies for the classroom.
- Demonstrated proficiency using an online learning management system such as Blackboard to

develop and build course content and perform administrative duties (posting office hours, syllabi, etc.)

- Advanced skills in Unity and C# Scripting language.

Principal Professional Standards

- Appropriate use of the college's learning management system.
- Meet deadlines for attendance certification and submission of final course grades.
- Participate in graduation, general assembly, and other official college functions.
- Maintain regular office hours to assist students and improve student retention and success.
- Attend and participate in collegewide, campus, department, or other activities and meetings.
- Recognize and reflect standards of civility and collegiality in all interactions.
- Comply with published college policies and procedures and meet professional standards for teaching in a community college.

Required Education

In accordance with Southern Association of College and Schools Commission on Colleges (SACSCOC) requirements:

- Associate degree in Game Design or related discipline (Game Design; Creative Writing; Film Production; Programming; Studio Art; Animation).

SACSCOC requirements may differ depending on the courses taught within the discipline.

Preferred Education

- Bachelor's degree in Game Design, Fine Art, or Studio Art.

Required Work Experience

In accordance with Southern Association of College and Schools Commission on Colleges (SACSCOC) requirements:

- Three (3) years of non-teaching, industry-related work experience within the game development

industry.

SACSCOC requirements may differ depending on the courses taught within the discipline.

Qualities of a Successful Candidate

- Ethics, integrity, and sound professional judgment.
- A commitment to establishing and maintaining positive working relationships with students, colleagues, and staff representing diverse ethnic, cultural, and socioeconomic backgrounds.
- Dynamic, non-traditional instructional delivery methods to teach students of widely varying levels of proficiency and from various backgrounds and abilities.
- Appropriate and up-to-date knowledge of the discipline and subject matter.
- Experience using technology as an instructional aide where appropriate to enhance learning.
- Documented experience with active and applied teaching and learning methodologies.
- A strong commitment to teaching in a community college setting, including teaching practices that reflect an understanding of the multicultural classroom and the benefits of cultural awareness and sensitivity in the classroom and the workplace.
- Commitment to a culture of care for all.
- Commitment to the comprehensive mission of Austin Community College and to the principles and practices associated with Servant-Leadership.
- Ability to communicate effectively with students with a wide range of skills and backgrounds.
- Strong interpersonal skills and ability to work with varied populations from the local community as well as students, staff, faculty, and administration.
- Strength in communication media, both verbal and written, as well as listening.
- Strong organizational skills, attention to detail, ability to maintain an established schedule, including evenings and weekends, including possible multiple campus locations that may vary by semester.
- Commitment to maintaining confidentiality of student information.
- Understanding of what it means to teach in a community college environment that serves often underprepared and underserved students.
