KNOWLEDGE, SKILLS AND ABILITIES:

Knowledge of academic discipline; ability to implement a variety of teaching strategies; use of instructional technology where appropriate; experience with computerized student record management; ability to develop educational programs; ability to teach effectively at the college level; initiative and resourcefulness; industrious and dependability; ability to work in a team and collaborative environment; effective communication skills; experience teaching a diverse student body; physically capable of performing the essential functions of the position with or without reasonable accommodation.

MINIMUM QUALIFICATIONS:

A. Bachelor's Degree in Architecture Technology, Architecture, or a closely related field offered by an NAAB accredited college; Master's degree preferred. And B. Professional Licensure: Licensed Architect (NYS) or National Counsel of Architectural Registration Boards ("NCARB") certification as determined by the selection committee.

SPECIAL REQUIREMENT(S):

Experience in teaching at the College level preferred.

*** EQUIVALENCIES:**

PROFESSIONAL ARCHITECTURAL LICENSURE:

The typical professional architectural licensure eligibility program requires the baccalaureate in architecture plus four (4) years of applicable work experience or twelve (12) years of applicable work experience plus intensive and extensive self-study. The professional architectural licensure received after the baccalaureate is equivalent to 20 additional semester credit hours and each year of subsequent full-time practice is equivalent to five (5) semester credit hours. The professional architectural licensure received without the baccalaureate is equivalent to 96 semester credit hours, and each year of subsequent full-time practice is equivalent to five (5) semester credit hours. (The first
