Austin Community College is a public two-year institution that serves a multicultural population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for populations including; first generation college students, low-income students, and students from underserved communities.
- Focused on student academic achievement and postgraduate outcomes
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Job Posting Title:

Assistant Nursing Clinical Faculty ADN

Job Description Summary:

Assists with clinical nursing lab instruction and services.

Job Description:

Description of Duties and Tasks

- Assists in the supervision of student clinical instruction under direct supervision of qualified faculty members.
- Supervises assigned students during all aspects of medication administration.
- Determines student's knowledge of medication action, recommended dosage and routes of administration, side effects, nursing implications, drug interactions, etc. prior to medication administration.
- Ensures safe medication administration following program objectives and guidelines.
