Job Description

ABOUT RANCHO ACADEMY

The Rancho Academy is committed to building an inclusive educational community that is reflective of those with whom we teach, engage and collaborate. To encourage a robust applicant pool of candidates seeking employment, the Rancho Santiago Community College District (RSCCD) has established The Rancho Academy, in order to broaden the spectrum of skills-building in an effort to create cohorts of potential employees whose understanding and application of diversity principles will be elevated above the average candidate. Through specialized training, mentorship and career development, future employees and leaders will efficaciously be challenged and encouraged to expand the dimensions of knowledge on careers in the California Community College system. This initiative is supported by the Board of Trustees efforts to recruit and prepare cohorts who seek a career in the California Community College system. If you are interested and meet the eligibility criteria, we invite you to apply.
