For 60 years, Mesa College has been on the leading edge, from offering a Community College Bachelor's Degree, to being a lead California Community College in graduating students with an Advanced Degree for Transfer. We embrace the mission of community colleges and are committed to empowering our students to maximize their potential, leading to healthy and thriving communities.

We are adding new staff, classified professionals, faculty, and administrators who, alongside our stellar colleagues, will lead us into the future. If this opportunity sounds like the right fit for you, I encourage you to file an application for employment.

Applications are now being accepted for position of Assistant Professor, Mathematics at San Diego Mesa College, beginning Spring 2025. Assignments may include some combination of day and/or evening classes.

While the current vacancies exist at Mesa College, applicants should understand that they are subject to assignment at any district facility at the option of the Chancellor. Major Responsibilities The incumbent reports to the Dean, School of Mathematics and Natural Sciences. The Assistant Professor, Mathematics will be expected to teach a variety of math courses with particular emphasis on STEM calculus courses. Also, the applicant must possess the ability to integrate effective pedagogical methods with an emphasis on equity. Additional responsibilities will include supervising and instructing students, maintaining office hours for student help, advisement and counseling, participating with other college faculty on academic committees, assisting in the development of curriculum and a willingness to take on leadership responsibilities within the department. Qualifications Master's in mathematics or applied mathematics OR Bachelor's in either of the above AND Master's in statistics, physics or mathematics education OR the equivalent. Desired Qualifications

- Graduate credit coursework in pure or applied mathematics.
- A minimum of 2 years experience teaching mathematics courses for STEM majors at a community college
- The ability to make effective classroom presentations by demonstrating a working knowledge of learning theory, techniques of active learning, and subject matter mastery, specifically for historically excluded and underrepresented student populations.
- The ability to clearly explain mathematics through a conceptual framework.
- The ability to effectively utilize technology in the classroom as a method of teaching and learning
- Knowledge of recent legislation impacting math education
- Demonstrated professional growth and participation in professional learning.
- Demonstrated ability to work collaboratively with students, colleagues, administrators and staff.
- Demonstrated ability to communicate in a clear and concise manner.
- Demonstrated cultural competency, sensitivity to and understanding of the diverse academic,

socioeconomic, cultural, disability, gender identity, sexual orientation, and ethnic backgrounds of community college students, faculty and classified professionals.

Equivalency If you do not possess the exact degrees, or higher, listed above or if you anticipate receiving the required degree prior to the start of teaching classes, please complete a [Request for Equivalency Form](#) and attach it during the application process. Foreign Degree: Applicants with foreign degrees from colleges or universities outside of the United States must have their coursework evaluated by a professional association that is a member of the National Association of Credential Evaluation Services ([NACES](#)) or Academic Credentials Evaluation Institute, INC. ([ACEI](#)). A copy of the evaluation must be submitted with your online application. Licenses/Certificates/Credentials: Commitment to Diversity: All applicants must have demonstrated cultural competency and sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, gender identity, sexual orientation, and ethnic backgrounds of community college students, faculty and classified professionals. Working Conditions Variable, depending on assignment. Special Instructions to Applicants: To ensure **full** consideration, qualified candidates must submit a **complete** online application that includes the items listed (extraneous material will not be reviewed). References to resumes or other uploaded documents within the online application will be considered an "incomplete" application; please enter "N/A" if any section does not apply.

1. Complete online application;
2. Resume;
3. Letter of intent (not to exceed 1 page);
4. Undergraduate Transcripts (unofficial);
5. Graduate Transcripts (unofficial); AND,
6. Three (3) references included within the online application.
7. Equivalency Form (if applicable).
8. Foreign Degree Evaluation (if applicable).
9. License/Certificates/Credentials (if applicable).

Important: To ensure consistency and fairness to all candidates, please do not submit materials other than those requested (i.e., personal photo, articles you've written, etc). Please only upload requested documents using respective document name labels. Uploading extraneous materials, unless specifically requested within this posting, may result in your application not being reviewed. Only complete application packets will be forwarded to the committee.

- Application materials sent via mail, fax, or email will **not** be accepted.
- Note that correspondence, including interview invitations, will be sent to you via email.
- All inquiries, nominations and applications will be held in the strictest confidence.

Tentative Timeline (Subject to Amendments) Conditions of Employment: **SELECTED CANDIDATE IS REQUIRED TO COMPLETE THE FOLLOWING PRIOR TO EMPLOYMENT:**

- Submit "official" college transcripts as stated on application (even if a degree is not a requirement for this position);
- Provide a Certificate of Tuberculosis Exam for initial appointment (Note: The certificate must be renewed every 4 years as a condition of continuing employment);
- Have fingerprints taken by a Live Scan computer at the District's expense (Clearance must be received prior to first day of employment);
- Present original documents for proof of eligibility to work in the United States **as required by the I9 Employment Eligibility Verification form;**
- Attend a new hire processing appointment in People, Culture, and Technology Services located at the District Administrative Offices; AND,
- Employed on an initial contract of one (1) year that is eligible for renewal annually for up to a subsequent one-year period.

EMPLOYMENT AFTER RETIREMENT

If you accept a contract (permanent) position with SDCCD and are a retired annuitant with CalPERS or CalSTRS, you must reinstate from your retirement system. Please reference the [CalPERS](#) or [CalSTRS](#) website for further information. Additional Information: Please note that an employee may be transferred to any site at the option of the Chancellor.
