fast paced and diverse educational environment. TMCC EMS Academy is one of the premiere EMS educational institutions in the region. Our team of faculty and staff are solid and collaborative, with one goal in mind: Produce the absolute best EMS providers who embody our 3 core commitments Character, Compassion, and Competence. The major areas of responsibility are to teach and develop theory instruction, arrange for appropriate learning experiences in the clinical and practice lab settings, grade and evaluate students in theory and the clinical and field setting, and coordinate theory and clinical instruction with other faculty for appropriate learning experiences. When students are in the clinical/field settings faculty will act as a liaison between the students and clinical/internships sites. Liaison work may require travel to hospitals and field sites.

Minimum Qualifications

1. Associates degree in Fire Science, EMS or related field from an accredited institution.
2. Current State of Nevada and/or NREMT Paramedic certification/license or ability to obtain within 1 month of hire date.
3. Four years of experience in a full-time paid paramedic position in emergency services.
4. Certified as a State of Nevada, Clark County or NAEMSE EMS Instructor (or Nevada recognized equivalent) through simple state office form.
5. Two years of experience teaching in emergency services, preferably in an academy setting.
6. Certified Fire Instructor II or NAEMSE Instructor I.

Preferred Qualifications

1. Bachelor's or Master's Degree or higher from a regionally accredited institution preferred.
2. Eight years experience in a full-time paid paramedic position in emergency services.
3. Three years experience teaching in an emergency services academy setting.
