### **General Statement**

Adjunct instructors teach courses within a specific discipline to a diverse student population on our main campus in Worcester and/or at additional satellite locations within our service area. We are especially interested in instructors who are qualified to teach both algebra-based and calculus-based physics lab courses. Courses assigned are primarily day courses, and responsibilities include instructional preparation, assessment of student performance and assistance to students. Adjunct faculty will attend a limited number of faculty meetings.

Job Requirements:

### **Minimum Qualifications**

- Associate Degree. Applicant must be a graduate of an education program in Surgical Technology accredited by a nationally recognized programmatic accreditation agency.
- Current certification (CST and/or CSFA) is required.
- (3) three years of experience, either in the operating room scrub role or as an instructor in surgical technology or a combination of both.
- (5) five years in the main operating room or multiple surgical specialties.
- Individuals must also possess excellent verbal and written communication skills and have the ability to build successful relationships with students and faculty.
- Improving student outcomes by utilizing a variety of instructional delivery methods, including technology and other innovative approaches.

### **Preferred Qualifications**

- Teaching/training experience. Demonstrated commitment to promoting diversity in the curriculum as appropriate.
