This posting is for Spring 24

This position is for in-person modality

Applications will be reviewed in the order in which they are received. Based on the number of applications received, this posting may close without notice.

Duties and Responsibilities

- Meet classes and laboratories on days and times assigned per the published class schedule.
- Publish in syllabus and maintain office hours; advise students enrolled in the instructor's classes in such matters as:
 - Course content, scope and meaning, grading criteria;
 - Major course requirements for degrees or certificates;
 - Strategies to assist students in achieving published SLOs;
 - Collateral or enrichment reading or experience opportunities for further understanding of the course or subject field;
 - Career opportunities related to the subject field.
- Develop and implement instruction for each class or laboratory period that fulfills all course requirements contained in the official Course Outline of Record (COR) and is consistent with the academic and vocational program standards and objectives.
- Develop a written syllabus based on the Academic Senate's standards and submit as per District policy.
- Periodically assess and advise students of their progress toward meeting course objectives.
- Respect student rights as specified in District policy and applicable federal and state laws or regulations.
- In the absence of full-time faculty in the discipline, submit textbook adoption forms for textbooks and instructional materials in a timely manner, according to the approved procedure.
- When appropriate refer students to tutoring and related student services.
- Supervise students in off-campus activities when participation is expected as part of a course requirement.
- Assign and submit grades by deadline in the manner provided by District policy and administrative procedure and prescribed by the Education Code and Title 5 regulations for the State of California.
