Austin Community College is a public two-year institution that serves a multicultural population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for populations including; first generation college students, low-income students, and students from underserved communities.
- Focused on student academic achievement and postgraduate outcomes
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Job Posting Title:

Adjunct Faculty, Adobe Creative Suite (Photoshop, InDesign, Illustrator)

Job Description Summary:

Responsible for preparation and delivery of Visual Communication coursework in engaging, innovative, and discipline-appropriate ways that reflect a commitment to success equity, an understanding of culturally responsive teaching, and knowledge of the teaching field. Meets professional standards for faculty in accordance with college policies and procedures.

Job Description:

Principal Responsibilities and Duties

- Prepare and teach **Graphic Media Production** courses in the field of **Visual Communication** to a multicultural student population based on the department's approved course learning outcomes. Courses may include:
 - Digital Imaging I or II(Photoshop)
 - Vector Graphics I or II (Illustrator)
