General Statement

Adjunct instructors teach courses within a specific discipline to a diverse student population on our main campus in Worcester and/or at additional satellite locations within our service area. We are especially interested in instructors who are qualified to teach both algebra-based and calculus-based physics lab courses. Courses assigned are primarily day courses, and responsibilities include instructional preparation, assessment of student performance and assistance to students. Adjunct faculty will attend a limited number of faculty meetings.

Job Requirements:
