Description

Equity and Diversity

The District is strongly committed to achieving staff diversity and the principles of equal opportunity employment. The District encourages a diverse pool of applicants and does not discriminate on the basis of race, color, national origin, ancestry, sex, age, religion, marital status, disability, or sexual orientation in any of its policies, procedures or practices. In fact, the college encourages applications from all segments of qualified people.

College Profile Cerritos College is ranked 14th among the top 100 schools with the highest Hispanic enrollment in the United States by the United States Department of Education. Cerritos College serves as a comprehensive community college for southeastern Los Angeles County. Communities within the College's district include Artesia, Bellflower, Cerritos, Downey, Hawaiian Gardens, La Mirada, Norwalk, and portions of Bell Gardens, Lakewood, Long Beach, Santa Fe Springs and South Gate. Enrollment currently averages 20,000 students. Visit Cerritos College online at www.cerritos.edu.

Department Profile The Equity Center is home to the LGBTQ+ and UndocuFalcon Scholars Programs, which are committed to fostering safe and brave spaces for all students, particularly those of marginalized identities including but not limited to our BIPOC, LGBTQIA+, and undocumented students

The Student Health Center's mission is to strengthen student learning by providing accessible, high quality, and cost-effective health care services to a multi-cultural population through health promotion, education, prevention, and evidence-based treatments. We guide students to succeed in their academic journeys by achieving optimal mind/body wellness.

Summary

Under the direction of the LCSW, Manager, the Licensed Clinical Social Worker (LCSW) will provide mental health services to the college community, and primarily for students accessing services through the LGBTQ+ and UndocuFalcon Scholars Programs. The LCSW primarily provides direct student mental health services, including individual and group therapy, clinical triage, crisis intervention, assessment, and consultation. This position may assist with preceptorship to interns and other mental health professionals who provide clinical services to students as needed. This position may assist with providing non-clinical services such as policy, procedure and practice review as needed. Additionally, this position may serve as a resource for mental health prevention and promotion activities including classroom presentations and staff/faculty professional development activities.

Distinguishing Career Features

The LCSW reports to the Manager, LCSW. This position provides direct clinical mental health services

to students, including clinical triage, crisis intervention and assessment and consultation, brief individual and group therapy. The LCSW may also support the MSW Internship training program through precepting and providing non-clinical services to support the department and college community as needed.

Job Duties

Essential Duties & Responsibilities

- Provide brief assessment for clinical triage to allow for matching of services based on student need including crisis intervention and same day appointments, urgent appointments or routine short-term therapy and/or referral to group therapy or outside provider or specialist.
- Provide mental health services, including brief individual and group therapy and mental health assessment and referral services to culturally diverse students with a wide range of mental health needs and intersectional identities to support their academic success and retention.
- Assist with the graduate internship program, including the recruitment, preceptorship, and/or training of MSW interns/trainees
- Perform a variety of clinical, training, and administrative duties in support of the Manager, LCSW
- Serve as a consultant/resource person to college faculty and staff regarding students with mental health concerns

Minimum Qualifications

- Earned master's degree in social work, and a California license as a licensed clinical social worker.
- A minimum of 2 years post-licensure experience and have practiced therapy during at least 2 years out of the last 5 years. Have completed or will complete within 90 days of hire, a clinical supervision course that meets the California Board of Behavioral Sciences standards.
- Experience with brief therapy model.
- Therapeutic experience in working with clients from diverse backgrounds and/or those for whom English is not the first language.
- Understanding of and sensitivity to meeting the needs of the diverse academic, socioeconomic, cultural, disability and ethnic background of the student, community and employee populations.
- Work with the core hours of 10:00am to 4:00pm (negotiable), Monday through Thursday.
