Austin Community College is a public two-year institution that serves a multicultural population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for populations including; first generation college students, low-income students, and students from underserved communities.
- Focused on student academic achievement and postgraduate outcomes
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Job Posting Title:

Faculty, Economics (High School Programs)

Job Description Summary:

The position is responsible for preparing and delivering Economics courses using innovative and engaging instruction to support student success. This role particularly emphasizes working with high school students in dual enrollment programs, allowing them to earn high school and college credit. The ideal candidate will demonstrate a commitment to Austin Community College's Core Values, dedication to student success, and expertise in Economics to meet the academic needs of our multicultural student populations. Teaching duties will require multiple instructional modalities (e.g., F2F, online, hybrid, etc.).

The position begins in August 2025.

Job Description:

ACC Economic Department has dedicated and trained faculty that are excited about the subject matter and the opportunity to share it with students. We support students in order to achieve mastery of the

principles of economics as well as improvements in reading, writing, and critical thinking skills. Our students are prepared to understand the debates surrounding current economic problems and will be better able to assume the responsibilities of citizenship in a participatory democracy.

Principal Responsibilities and Duties

- Prepare and teach courses in the field of Economics to a multicultural student population based on the department's approved course learning outcomes, utilizing a variety of instructional strategies appropriate to the needs of community college students and the standards of the discipline.
- Participate actively in departmental responsibilities and departmental governance, including curriculum review and revision, program review, assessment of student learning outcomes at the course and program level, and other departmental activities.
- Evaluate student progress and provide clear, timely feedback reflecting program learning outcomes and departmental expectations.
- Serve as a mentor to students in the Economics program.
- Provide teaching and mentoring services to students in a manner which does not discriminate based on race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, political affiliation, or other protected categories.
- Remain current in the field through a variety of professional development activities.
- Support division and department goals through active and collegial engagement in decision-making and unit-level planning.
- Serve on collegewide and departmental committees, councils, work groups, and task forces.
- Perform other related tasks as assigned by the department chair, dean, and/or associate vice chancellor, vice chancellor, executive vice chancellor.

Additional Duties

- This faculty role will also serve as the primary contact between Economics faculty and high school colleagues to ensure smooth integration for student support.

Technology

- Demonstrated proficiency using computer applications, online resources, and other technologies

for the classroom.

- Demonstrated proficiency using an online learning management system such as Blackboard to develop and build course content and perform administrative duties (posting office hours, syllabi, etc.)

Principal Professional Standards

- Appropriate use of the college's learning management system.
- Meet deadlines for attendance certification and submission of final course grades.
- Participate in graduation, general assembly, and other official college functions.
- Maintain regular office hours to assist students and improve student retention and success.
- Attend and participate in collegewide, campus, department, or other activities and meetings.
- Recognize and reflect standards of civility and collegiality in all interactions.
- Comply with published college policies and procedures and meet professional standards for teaching in a community college.

Required Education

In accordance with Southern Association of College and Schools Commission on Colleges (SACSCOC) requirements:

- Master's degree in Economics; or
- Master's degree with at least 18 graduate credit hours in Economics

Preferred Experience

- Experience working with high school students or similar populations in an educational setting.

Qualities of a Successful Candidate

- Ethics, integrity, and sound professional judgment.

- A commitment to establishing and maintaining positive working relationships with students, colleagues, and staff representing multicultural and socioeconomic backgrounds.
- Dynamic, non-traditional instructional delivery methods to teach students of widely varying levels of proficiency and from various backgrounds and abilities.
- Appropriate and up-to-date knowledge of the discipline and subject matter.
- Experience using technology as an instructional aide where appropriate to enhance learning.
- Documented experience with active and applied teaching and learning methodologies.
- A strong commitment to teaching in a community college setting, including teaching practices that reflect an understanding of the multicultural classroom and the benefits of cultural awareness and sensitivity in the classroom and the workplace.
- Commitment to a culture of care for all.
- Commitment to the comprehensive mission of Austin Community College and to the principles and practices associated with Servant-Leadership.
- Ability to communicate effectively with students with a wide range of skills and backgrounds.
- Strong interpersonal skills and ability to work with varied populations from the local community as well as students, staff, faculty, and administration.
- Strength in communication media, both verbal and written, as well as listening.
- Strong organizational skills, attention to detail, ability to maintain an established schedule, including evenings and weekends, including possible multiple campus locations that may vary by semester.
- Commitment to maintaining confidentiality of student information.
- Understanding of what it means to teach in a community college environment that serves often underprepared and underserved students.
