At Fresno City College we value the ability to serve students from a broad range of cultural heritages, socioeconomic backgrounds, genders, abilities, and orientations. We prioritize applicants who demonstrate they understand the benefits a diverse student population brings to a community college. The successful candidate will be an equity-minded leader committed to student success achieved through collaboration with faculty, classified staff, administration, students, and community partners who are also dedicated to closing equity gaps.

An equity-minded individual is a person who:

1. Understands the importance of holding ourselves accountable as educators for closing equity gaps and engaging in equitable practices;
2. Reframes inequities as a problem of practice and views the elimination of inequities as an individual and collective responsibility;
3. Encourages positive race-consciousness and embraces human difference;
4. Supports institutional practices that both develop and sustain culturally responsive teaching and learning environments; and
5. Strategically builds support for and participation in equity-related initiatives across both our internal and external communities.

Fresno City College seeks leaders who value placing the student at the center of everything we do, mentorship, and working in a collegial, collaborative environment. Leaders should be open and willing to participate in culturally relevant professional development that will help them prepare for the population of students who attend Fresno City College.

The ideal candidate will share Fresno City College's commitment to educating its racially and socioeconomically diverse student population. For the 2023-2024 academic year, we enrolled over 39,271 students in which 66% identify as Latinx, 11% as Asian/Pacific Islander, 5% as Black/African American, 15% as White, 1% as American Indian/Alaska Native, and 3% as multiracial. Fresno City College is a Hispanic-Serving Institution, reflecting the great responsibility that the College has to the educational attainment and economic well-being of the surrounding community. The successful candidate will join a department dedicated to the use of a curriculum responsive to the students it serves.

Providing instruction in dental hygiene on the Fresno City College campus and/or at off-site community campus locations, the instructor will be responsible for:

- Teaching a full range of didactic and clinical application classes in dental hygiene education;
- Serving as a clinical facilitator with responsibility for the overall quality of clinical instruction as a component of the program;

MissionAs California's first community college, Fresno City College provides access to equity-centered, quality, innovative educational programs, and support services. Committed to a culture of anti-racism, we create dynamic communities of respect and inquiry which encourage student success and lifelong learning while fostering the sustainable economic, social, and cultural development of our students and region.

VisionFresno City College aspires to build upon our equity-centered mission and further our commitment to normalize a culture of racial equity and anti-racism. As a community of educators and learners, we will use our individual and collective positions of influence, power, and privilege to foster a community of belonging, affirmation, and validation. We will courageously join as faculty, staff, and students in upholding our core values to transform lives in the Central Valley and beyond.

Core Values Equity-Mindedness: We call attention to patterns of inequity in student outcomes and take personal and institutional responsibility for the success of our students. We critically reassess our own practices, are race-conscious, and aware of the social and historical context of exclusionary practices in American Higher Education.

Social Justice: We are focused on removing institutional barriers, taking responsibility for and mitigating systemic barriers. We are invested in validating our students' lived experiences through examining qualitative and quantitative data which enhances our understanding of intersectionality. This builds a foundation of data-driven solutions and responses to systemic issues.

Sustainable Social and Economic Mobility: We commit to breaking extractive, exploitative, and racist systems and practices. Servimos y empoderamos (we serve and empower) marginalized and racially-minoritized individuals, communities, and histories. With invested community partners, we build programs which foster trans-generational economic growth and prosperity.
