At the time that an offer of assignment is made, proper salary placement is contingent upon receipt of OFFICIAL (sealed) transcripts and/or foreign degree evaluations (if applicable). Instructors with advanced coursework shall be placed on the appropriate class and step on the Adjunct College Salary Schedules, effective the first month following receipt (in People, Culture, and Technology Services) of the official transcripts. Initial salary placement will be at the first class/step until official transcripts have been submitted. FLSA Status Non-Exempt (accrues overtime) Position Type Academic Bargaining Unit: AFT/College Faculty Range (na) Department District Wide The Position NOTE: The San Diego Community College District accepts applications for adjunct (part-time/substitute) positions for our three college campuses (City, Mesa, Miramar) and various continuing education centers on a continuous basis. However, it does not necessarily imply there are immediate openings. If you meet the required minimum qualifications, your application will be included in the adjunct pool for possible assignments in the fall, spring, and/or summer semesters of the academic year. Hiring departments utilize the adjunct pool when there is a need and will contact you directly should you possess the qualifications they are seeking. Applications are purged approximately one year from submittal, at which time you will receive an automated e-mail notice to re-apply if you wish to remain in the pool.

Part-time/temporary faculty positions offer flexible hours and the opportunity to assist a diverse group of adult students in achieving their educational goals. As one of the largest community college districts in southern California, we offer a wide range of opportunities in transfer, general education, vocational and occupational programs. These part-time positions are as-needed and applicants should live within commuting distance to San Diego.

The **Mental Health Counseling Center (MHCC)** at **San Diego City College (SDCC)** has been awarded a two-year grant to work collaboratively with the Veterans Resource Center to enhance mental health support for student veterans. The **Veterans Mental Health Counselor** position is a dual role, with emphasis on psycho-education, outreach, early intervention/prevention and community linkage along with a direct clinical role. The Veteran Mental Health Counselor will provide individual, couples, and family therapy, case management, resource referrals, workshops, group therapy, and outreach to student veterans. Additionally, the counselor will organize and support student veteran peer mentors, collaborating with the Mental Health Peer Educator Coordinator to guide and mentor

these dedicated peers.

This part-time position (15-20 hours per week for 40 weeks per year) will have a primary focus on outreach, training, and direct support for student veterans. Key responsibilities include facilitating workshops, developing resources, facilitating relationships with community partners and providing counseling services. The counselor will also lead training initiatives to educate the campus community about veterans' mental health needs and promote a supportive, veteran-friendly campus culture through collaboration with the Mental Health Peer Educator Program. The role is funded for the grant term, from January 2025 to December 2026, with a weekly commitment of 15-20 hours during the academic semesters (Spring, Fall, and an 8-week Summer session). The counselor must be available during regular school hours to engage effectively with students and campus services. Major Responsibilities **Establish and Expand Partnerships:** Improve and expand campus supports and resources through the development of partnerships with mental health providers, VA hospitals, county veterans service offices, and local/regional CSU and UC campus Veterans Resource Centers.

Outreach and Support for Student Veterans: Provide direct mental health support through individual counseling, group therapy, case management, and resource development. Lead and collaborate on outreach efforts to increase engagement with student veterans.

Veterans Ally Trainings: Lead the development and delivery of training programs aimed at educating faculty, staff, and students on veterans' mental health, challenges, and best practices for supporting veterans on campus. This includes training campus stakeholders to become Veterans Allies and promoting a supportive environment for student veterans.

Oversight and Support of Veteran Peers: Collaborate with the Mental Health Peer Educator Coordinator to hire, train, and supervise student veterans selected to serve as Mental Health Peer Educators. These roles will empower student veterans to support one another in their transition to civilian life and receive training to become suicide prevention gatekeepers and stigma reduction ambassadors.

Program Management and Reporting: Regularly report to the Grant or Program Coordinator on program progress and outcomes.

Campus-Wide Collaboration: Work closely with campus partners to ensure that veterans' mental health and wellness is a visible priority on campus. Engage in cross-departmental efforts to integrate veteran-specific support services and resources, and participate in training and meetings related to veterans' needs and mental health.

Qualifications **MINIMUM QUALIFICATIONS**

Degrees must be from regionally accredited institutions.
