Requisition Number: FAC00397

### General Description

The Corporate Solutions Department at the Community College of Philadelphia is seeking part-time Instructors to teach a Dental Assistant Lab course.

Corporate Solutions provides credit and noncredit education to businesses, organizations, and individuals wishing to enhance their skillset and meet educational goals. We offer a comprehensive menu of high quality continuing education and career-training programs brought to you by our expert faculty and staff. Corporate Solutions delivers programming through the following business lines: Continuing Education and Career Training, Contract Training, Corporate College, Small Business Training - Center for Small Business & Power Up Your Business, and Workforce Testing.

Community College of Philadelphia is the largest public institution of higher education in the City. Since 1965, over 500,000 students have passed through our doors seeking associate's degrees, certificates, improved workplace skills and lifelong learning. Many of our degree students transfer to four-year institutions while others seek employment in the Philadelphia region. Over 90 percent of our graduates remain in the area and seek employment, strengthening our local economy and workforce. Local businesses look to us to provide workplace training to keep their workers skilled and their companies competitive.

\*Applicant credentials will be kept on file until 12/31/2022.

### Specific Responsibilities

- Co-teaching Dental Assistant lab principals and skills to prepare students for the National Entry-Level Dental Assistant credential according to the Dental Assistant National Board (DANB) scope of practice, including Infection Control, Anatomy Morphology and Physiology, and Radiation Health and Safety.
- Co-teach assigned lab skill content areas in accordance with the College's approved course description.
- Follow course syllabus in accordance with student learning outcomes.
- Incorporate appropriate teaching-learning strategies, technologies, and assessment methods for evaluation of student learning.
