Adjunct instructors teach courses within a specific discipline to a diverse student population on our main campus in Worcester and/or at additional satellite locations within our service area (i.e., Southbridge and area high schools). Courses may be assigned for days, evenings or weekends, and responsibilities include instructional preparation, assessment of student performance and assistance to students. Adjunct faculty will attend a limited number of faculty meetings.

Job Requirements:

Minimum Qualifications

- Requires Bachelor's degree and demonstrated industry experience in advanced manufacturing. Course content and offerings include CNC operation, programming, and MasterCAM, manufacturing processes, manufacturing QA and control techniques, blueprint reading, GDT, metrology & quality inspection and related content. QCC integrates industrial and educational equipment into the curriculum. Applicants should highlight their experience with skill / competency-based education. Interested applicants who may not meet the qualification as stated above are encouraged to put in writing precisely how their background and experience have prepared them for the responsibilities of this position.

Preferred Qualifications

- Advanced degree.
- Teaching/training experience.
- Demonstrated commitment to promoting diversity in the curriculum as appropriate.
- Ability to teach day, evening or weekend classes in more than one campus location.
