Job Description

OVERVIEW:

The Department of Sociocultural Studies is committed to excellence in lower division education for majors and non-majors. The faculty work closely together to support one another while supporting student success, completion, and transfer. We seek a well-rounded political science instructor with a strong foundation in U.S. Government, American Institutions, and local and global political systems. We seek candidates who utilize a public sphere pedagogical approach centered on students, and a commitment to equity.

The person selected should be able to demonstrate an excellence in teaching that inspires students' critical reading, writing, and thinking. This person should demonstrate an ability to engage learners from a diverse range of abilities and identities. They should be knowledgeable of all subfields within Political Science and demonstrate a commitment to promoting active learning and a community
