Austin Community College is a public two-year institution that serves a multicultural population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for populations including; first generation college students, low-income students, and students from underserved communities.
- Focused on student academic achievement and postgraduate outcomes
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Job Posting Title:

Designer, Instructional

Job Description Summary:

To provide consultation, project management, and support services in instructional strategies, design, content creation, use of various communication modes (e.g., websites, video, audio), assessment, and technology in the development of curricula for higher educational learning.

Job Description:

Description of Duties and Tasks

- 1) Manages instructional projects and related collegewide strategic initiatives from conception through implementation.
- 2) Consults with faculty on instructional design, strategies, and learning objectives; makes recommendations on enhancing instructional materials and deliveries to ensure students have an opportunity to interact and apply learning outcomes as well as increase the success and retention of students; assists in the development of course materials, assessment techniques, appropriate
