Position Number: B1111PD

Starting Wage/Salary: \$61,560 - \$72,009 plus exceptional benefits for September - June. Additionally, faculty should anticipate Summer quarter assignments, typically paid \$10,000 over July and August.

Close Date: 03/30/2025

Primary Purpose:

The Assistant Professor of Aviation, provides instruction to students in the **Aviation** program, directs student discussion and evaluates student performance in the classroom. In addition, this position develops curriculum, assesses student learning, and provides student advising.

Perform and work closely and effectively with faculty, outside aviation contractors, veterans financial aid coordinator, fiscal services and have an aviation background with experience in teaching airplane courses strongly preferred.

Essential Duties and Responsibilities:

- Provide instruction in area of discipline, using approved course outcome guides. Teaching assignments may be during the day (including early morning), evening, or weekend, and could include classes taught at any of the College campuses.
- Provide student advising and assistance in areas of course selection, career planning, job placement and employment follow-up.
- Hold at least five scheduled office hours per week for student help sessions and program assistance.
- Participate in department meetings, curriculum revision, course assessment, program assessment, and program review.
- Engage in regular professional growth activities, remain current in the field, and maintain current credentials or licensures as required by the program.
- Participate in service to the college. This may include participating in College committees, task forces, peer teams, or other activities.
- Provide meaningful, professional service to the community, businesses, public agencies, and other organizations.
- Perform other essential job functions as assigned that support the overall objective of the position.

Knowledge, Skills, and Abilities:

Individuals must possess these knowledge, skills and abilities or be able to explain and demonstrate that the individual can perform the duties and responsibilities of the job, with or without reasonable accommodation, using some other combination of skills and abilities. The individual is expected to follow College work rules and policies.

- Thorough knowledge in the field of taught discipline and demonstrated ability to apply this knowledge.
- Ability to adapt and use a variety of teaching and assessment techniques including the use of technology to enhance student success.
- Ability to observe, direct, and oversee students ensuring safety in the classroom or laboratory.
- Ability to work with and present various curriculum concepts to a wide range of students with varying diverse backgrounds, abilities, and learning styles.
- Ability to effectively use Microsoft office suite, various course management systems, technology to teach traditional, hybrid, or online courses and other technology used in the instruction setting.
- Ability to communicate effectively and respectfully with diverse students, staff, and community members.
- Ability to provide services to students in a manner which does not discriminate as to race, creed, religion, color, national origin, disability, age, sex, sexual preference or marital status.
- Willingness to travel and or teach at various hours and campus locations, as required.
- Ability to foster a collaborative atmosphere among students and the willingness to work as a member of a team with faculty.
- Excellent oral, written and electronic communication skills.

Minimum Requirements:

Education:

- A bachelors degree or credential appropriate in the field of primary teaching assignment; or instructor has a minimum of 24 quarter hours (16 semester hours) of credit in the field of the primary teaching assignment.

Experience:
