Austin Community College is a public two-year institution that serves a multicultural population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for populations including; first generation college students, low-income students, and students from underserved communities.
- Focused on student academic achievement and postgraduate outcomes
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Job Posting Title:

CE Skilled Trades Coordinator

Job Description Summary:

Manages all stages of workforce training program development, implementation and delivery, data management, documentation, and reporting of program deliverables, as well as researching and writing grants to support grant-funded programs facilitated by the department.

Job Description:

Description of Duties and Tasks

- 1) Oversees, coordinates, implements, and facilitates various workforce training projects, including activities around curriculum development; instructional staff, calendars, and timelines; plans and implements all project activities; schedules stakeholder meetings; develops agendas; gathers and maintains the integrity of data; and writes monthly progress and closeout reports as necessary.
- 2) Organizes and facilitates all aspects of instructional development including generating a curriculum plan based on the unique needs of industry partners; researching and securing curriculum solutions;
