and Achieving the Dream Leader College, seeks a dynamic and innovative individual to join its leadership team. The Dean of Planning, Institutional Effectiveness, and Research supports the College's student success agenda through the development of exemplary data-driven processes and practices including the use of powerful technology to support student success. Through the use of data analytics, the Dean of Planning, Institutional Effectiveness, and Research promotes equitable attainment of institution wide student success goals. As a member of a high functioning team, the Dean of Planning, Institutional Effectiveness, and Research supports dynamic relationships between Brazosport College, its faculty and staff, and with external, industrial, and educational partners. This position:

- Serves as the College's principal administrator for workforce/career/technical programs, collaborating closely with the Vice President of Academic Affairs and Institutional Effectiveness, Assistant Vice President of Academic Affairs, and other Academic Deans and Associate Deans.
- Provides leadership for the management of the Divisions of Health Professions, Mechanical and Construction Technologies, and Industrial Process Technology, to include maintaining and improving the quality of instruction and attainment of student learning outcomes.
- Prepares, updates, and recommends to the appropriate academic leadership and/or academic committees, changes and improvements regarding academic programs, textbooks and curriculum.
- Prepares, updates and recommends to the appropriate academic leadership, PIER, and academic committees, new and revised student learning outcomes, course objectives and competencies
- Maintains the Master Course Outlines and copies of standard course syllabi templates for all courses assigned to the Division.
- Establishes and monitors appropriate instructional standards.
- Plans for and conducts degree and certificate program reviews.
- Assists in preparing applications for grants, implements and oversees grant activities and monitors budget expenditures in conformance with the terms of approved grant funded initiatives.
- Reviews and approves professional/travel leave, sick leave, and vacation leave requests for designated individuals assigned to the division.
- Works in concert with the Vice President of Academic Affairs and Institutional Effectiveness, Assistant Vice President of Academic Affairs in preparing recommendations regarding the hiring, transfer, promotion, suspension and dismissal of full-time faculty and staff assigned.
- Collaborates with the Vice President of Academic Affairs and Institutional Effectiveness, Assistant Vice President of Academic Affairs, and other Academic Deans, and makes approvals to teach recommendations for qualified full-time and adjunct faculty.
- Conducts full-time faculty and adjunct faculty informational and in-service training meetings each major academic term.
