staff. For 61 years, Mesa College has been on the leading edge, from offering a Community College Bachelor's Degree, to being a lead California Community College in graduating students with an Advanced Degree for Transfer. We embrace the mission of community colleges and are committed to empowering our students to maximize their potential, leading to healthy and thriving communities.

We are adding new staff, classified professionals, faculty, and administrators who, alongside our stellar colleagues, will lead us into the future. If this opportunity sounds like the right fit for you, I encourage you to file an application for employment.

Applications are now being accepted for the position of Assistant Professor, Radiologic Technology Clinical Coordinator Director, at San Diego Mesa College.

Under the direction of the Dean of the School of Health Sciences and Public Service, the Radiologic Technology Clinical Coordinator is a clinician/educator who understands, and has the ability to convey, the defined roles and specific relationships between radiologic technologists and other employees in the health care environment and is responsible for developing, conducting, and coordinating the clinical education program. The Clinical Coordinator is proficient in curriculum development, supervision, instruction, evaluation, and academic advising.

Please note that an employee may be transferred to any site at the option of the Chancellor. Major Responsibilities The Radiologic Technology Clinical Coordinator/Assistant Professor is a clinician/educator who understands, and has the ability to convey, the defined roles and specific relationships between radiologic technologists and other employees in the health care environment and is responsible for developing, conducting, and coordinating the clinical education program. In addition to serving as an instructor, the clinical coordinator communicates information related to clinical education to faculty, clinical education sites, and students. The Clinical Coordinator participates in program instruction and works with the Program Director, Department Chairperson and Dean to ensure that the program has sufficient active clinical sites with sufficient breadth and depth. The Clinical Coordinator oversees student placements and advising, compliance with state regulations, and performs regular scheduled site visits. The Clinical Coordinator will play a leadership role in maintaining community involvement and performing community outreach activities. The Radiologic Technology Clinical Coordinator/Assistant Professor will collaborate with the Program Director and faculty to maintain instructional currency and contemporary expertise.

Qualifications **MINIMUM QUALIFICATIONS**

- Any Bachelor's degree **AND** two (2) years of professional experience directly related to the area of assignment; OR,
