Position Summary

Who We Are: Mott Community College is student-centered and mission-driven to ensure that all our students thrive and reach their fullest potential. As an institution, we are action-oriented and intentional in dismantling every systemic barrier that prevents the excellence of students from underrepresented communities.

As Mott Community College deepens its commitment to equity, it is of the highest priority that we focus our hiring process to seek individuals with the expertise to lead our institution in serving students from underrepresented communities. This is an opportunity for the college community to continue to act upon our values but more importantly for the empowering of our students' self-efficacy, for cultivating a sense of belonging, and for the diversity of our entire student body being reflected in a position of power in the classroom.

Purpose, Scope & Dimension of Job:

The Dean is a front-line learning leader of the college, a member of the Academic Affairs executive staff, and a member of the college management team. The Dean of Arts and Sciences is responsible for promoting academic, administrative and fiscal leadership in accordance with Mott Community College's Strategic Plan and for exercising holistic judgment when executing the duties of this position.

Supervisory Responsibility:

The Dean of Arts and Sciences is one of two deans assigned to supervise academic transfer and certain related Career and Technical Education programs in a large multi-disciplinary division. This involves faculty and staff representing disciplines in the humanities, fine arts, natural sciences, social sciences, and mathematics.

Minimum Requirements

Minimum Required Knowledge, Skills, and Abilities:

1. Master's degree or higher in higher education administration, curriculum and instruction, an academic transfer discipline, or related degree.
 2. A minimum of three (3) years of teaching experience at the college level
 3. A minimum of two (2) years of demonstrated increasing responsibility in academic leadership experiences, can be concurrent with #2.
 4. An understanding of and vision for academic transfer programs.
 5. Knowledge of developmental education and best practices related to student retention and success.
 6. Experience working in a unionized environment.
 7. Budget experience that encompasses the management of resources and the reconciliation of competing needs in excess of available resources.
 8. Demonstrated project planning and management, time management, and priority setting skills.
- Ability to appropriately use and demonstrate proficiency with standard office productivity software and
