SFCC Life Sciences

Open continuous.

Starting salary for this position is: \$40.83 - \$86.87 per hour based on workload category.

This is an adjunct (part-time) position. Compensation will be pro-rated according to the amount of workload assigned. Spokane Colleges reserves the right to cancel this recruitment without notice. Academic employees are represented by the Association of Higher Education (AHE), which is affiliated with NEA and WEA. Membership is optional.

About Us

We seek applications for an adjunct (part-time) teaching position for our Human Anatomy and Physiology with Lab (BIOL&241 and BIOL&242) as needed depending on scheduling of full time faculty and student enrollment. Modality may range from a fully on-ground lecture and laboratory combination to a hybrid learning environment where the lecture is asynchronously online and the laboratory sessions are on-ground.

SFCC is a beautiful campus located in the inland Pacific Northwest, on the ancestral home of the Spokane Tribe, near the Spokane River. Spokane is a mid-sized city with a high quality of life and quick access to the outdoors. More information about living and working in Spokane available at: <https://www.visitspokane.com/about-spokane/relocation-guide/>

SFCC is one of two accredited community colleges that comprise the Spokane Colleges. SFCC serves approximately 6000 students from across greater Spokane and five rural counties in our service area, including students from the Spokane Tribe, other Eastern Washington tribes, and from Fairchild Air Force Base. About two-thirds of our students enroll in one of our transfer degrees, and approximately one-third enroll in one of our professional-technical programs.

The mission of Spokane Colleges is to provide all students with an excellent education that transforms lives and expands their opportunities. At SFCC, we embrace Guided Pathways, which aims to assist students to find their pathway toward achieving their goals. We foster equity and inclusion by addressing the unique needs of each student. We celebrate the opportunity to meet students where they are and provide them with holistic support to reach their full potential.

Applications will be forwarded to the hiring official as they are received and accepted until the need is filled.

About the Anatomy & Physiology Instructor - Adjunct - Spokane Falls Community College

CHARACTERISTIC DUTIES AND RESPONSIBILITIES

- Prepare for and instruct college-level courses in Human Anatomy and Physiology in face-to-face, hybrid or online formats based on need of the department.
- Communicate expectations and establish clear grading criteria through appropriate instructional means, to include but not limited to developing course syllabi, handouts, and materials supporting the instructional process; evaluates student progress and provides clear, timely feedback.
- Provide availability and accessibility to students through a combination of scheduled office hours, e-mail, and other effective means of responsive and timely communication.
- Provide timely feedback and support to students.
- Maintain accurate records for course grades.
- May participate in department and general faculty meetings whenever germane.
- Maintain professional standards in interactions with the college community.
- Comply with state and federal law applicable to professional duties and responsibilities; follow established procedures in areas such as printing, turning in grades, bookstore orders, student safety and health issues, and related administrative processes.
- Perform other related duties as assigned or required

MINIMUM QUALIFICATIONS

- Master's of Science in **Biology** or closely related discipline from an accredited institution.
- Prior teaching experience in Human Anatomy and Physiology within higher education.
- Communicating effectively in oral and written English in a classroom and with other professionals.
- Working/interacting effectively with colleagues, staff, students, administrators and others of various cultural and socioeconomic backgrounds.
- Acceptance of the responsibility to promote the welfare and best interests of students at all times.
- Acceptance of and willingness to support the role that community colleges serve in higher education, and specifically the mission, values, goals and objectives of the Community Colleges of Spokane.
- Ability to perform assigned duties in a manner consistent with applicable laws, regulations and goals of the institution and the community/technical college system.
- Demonstrated commitment to student success in classes comprised of students with a wide range of abilities.

- Demonstrated commitment to fostering and supporting a teaching, learning and working environment that honors diversity, equity and inclusion.

DESIRED QULAIFICATIONS

- An earned doctorate degree from an accredited institution with emphasis in **Biology** or related discipline from an accredited institution.
- Two or more academic years of relevant teaching experience in higher education, including community college teaching experience.
- Experience in online and hybrid course format coupled with experience in using learning management systems to effectively run online and hybrid courses

Person hired must be able to provide acceptable documentation of U.S. Citizenship or lawful authorization to work in the United States. This is an absolute condition of employment. An offer of employment will not carry with it any responsibility or obligation on the part of the district to sponsor an H1-B visa. In addition, the Spokane Colleges maintain a drug-free work environment and prohibits all smoking in the college buildings and state-owned vehicles. Must be able to successfully work in and promote a multicultural work and education environment.

Prior to a new hire, a background check including criminal record history will be conducted. Information from the background check will not necessarily preclude employment but will be considered in determining the applicant's suitability and competence to perform in the position. Once an applicant is chosen for a position, they are required to complete and submit a declaration regarding sexual misconduct and investigation per state law.

Required Application Materials

To qualify for consideration, applicants must meet required competencies and submit a complete application packet, which includes the following:

- Cover letter - addressing your qualifications relevant to the responsibilities of this position.
- Resume or CV.
- References - the names, addresses, and phone numbers of three professional references.
- College transcript(s) if applicable - unofficial/copies of transcripts are acceptable; official transcripts are required upon hire.

For questions regarding a job application or the hiring process, or if you require an accommodation during the application or interview process, please contact HR at CCS.Recruiter@ccs.spokane.edu.

Equal Opportunity Institution

Spokane Colleges does not discriminate in its programs, activities and employment on the basis of race, creed, color, religion, national or ethnic origin, age, sex, marital status, pregnancy, pregnancy related conditions, parental status or families with children, status as a mother breastfeeding their child, AIDS/HIV or hepatitis C, honorably discharged veteran status, sexual orientation, gender identity or expression, disability, use of a trained guide dog or service animal by a person with a disability, genetic information, or any other legally protected category.
