### Position Overview

Provide the expertise and knowledge that support Adult Education and Literacy (AEL) curriculum and programs. Establish courses following accepted Texas Adult Education and Literacy Content standards, teach students using a variety of effective methodologies and provide engagement and support activities that encourage student learning. The role of the Instructor encompasses teaching distance learning, academic advising, professional development and institutional and community service. Provide quality instruction to adult learners, integrating meaningful classroom activities and valuable experience that facilitate student learning goals and workforce training and employment skills.

### Essential Duties & Responsibilities

- Provide ABE activities and instruction across a continuum, from pre- and basic literacy through elementary levels, culminating with competencies equivalent to the eighth-grade level. Instruction includes reading, mathematics, communication skills, social studies, physical sciences and health, Digital Literacy, and career and college readiness competencies;
- Provide Adult Secondary Education activities and instruction comparable to the competencies developed in secondary high school and college development education;
- Provide instruction to help students earn the Texas Certificate of High School Equivalency (TxCHSE) by successfully passing one of three tests (TASC, HiSET, GED) issued by TEA;
- Provide ESL activities and instruction designed to support English Language Learners in achieving competence in reading, writing speaking, and comprehension of English that leads to the attainment of a secondary school diploma or its recognized equivalent, followed by a transition to postsecondary education and training or employment; Provided Integrated English Literacy Civics instruction to adult English Language Learners, including professionals with degrees and credentials in their native countries, and enable them to achieve competency in English and acquire the basic and more advanced skills necessary to function effectively as parents, workers, and citizens in the United States;
- Provide instruction in literacy, ESL, and the rights and responsibilities of citizenship and civic participation;
- Provide instruction that will teach students the skills in obtaining postsecondary and training credentials that are of value to local businesses;
- Provide instruction for students to learn career and college planning including establishing short-term and long-term goals. An additional instruction on employment and training awareness, career and college readiness, and transition skills;
- Provide AEL instruction and activities for students concurrently and contextually with Workforce Preparation Activities and Workforce Training for specific occupations identified as existing and emerging in-demand or targeted occupations or occupational clusters;

- Provide Distance Learning activities in which participants and instructors are separated by geography, time, or both for most of the instructional period;
- Provide instruction on Financial Literacy.

**Teaching:**

- a. Demonstrate skill and/or knowledge in teaching discipline;
- b. Make continuous efforts to improve the quality of instruction by reviewing and utilizing innovative methodologies, techniques, and delivery methods;
- c. Use the AEL standard syllabus for each course type and departmental guidelines;
- d. Plan, develop, and use a variety of teaching methods and materials that assist students in meeting course objectives and which are appropriate for students with differing educational and experiential backgrounds and learning styles;
- e. Evaluate students to measure their progress toward achievement of stated course objectives and inform them of their progress in the course in a timely manner;
- f. Keep accurate student records and submit related reports and forms within requested timelines;
- g. Teach courses at a variety of times and locations in response to institutional needs;
- h. Use equipment and facilities responsibly and courteously; and
- i. Demonstrate competence and interest in the use of technology in the classroom and willingness to explore new instructional methodologies.

**Academic Advising:**

- a. Maintain professional relationships with students, colleagues, and the community;
- b. Provide access to students through posted office hours, electronic communication, and other appropriate methods. Provide advice and assistance to students regarding instructional or program-specific issues;
- c. Provide presentations on particular academic fields or workforce training programs and discuss opportunities for academic transfers and work (co-ops, part-time, work-study) as well as support services, scholarships, etc.; and
- d. Work with Program Director to take on appropriate academic advising activities as needed by the AEL Program.

**Professional Development:**

- a. Establish annual objectives for professional growth in consultation with the department Program Director and Teacher Supervisor;
- b. Keep pace with developments in the discipline;
- c. Learn and apply technologies that support student learning and
- d. Participate in the evaluation process for self, department, and college;
- e. Willingness to complete four hours of New Employee Induction (NEI) orientation and two hours of
