Clovis Community College

Start Date: 04/08/2025

Essential Functions:

At Clovis Community College we value the ability to serve students from a broad range of cultural heritages, socioeconomic backgrounds, genders, abilities and orientations. We prioritize applicants who demonstrate they understand the benefits a diverse student population brings to a community college. The successful candidate will be an equity-minded leader committed to student success achieved through collaboration with faculty, classified staff, administration, students and community partners who are also dedicated to closing equity gaps.

An equity-minded individual is a person who:

1. Understands the importance of holding ourselves accountable as educators for closing equity gaps and engaging in equitable practices;
2. Reframes inequities as a problem of practice and views the elimination of inequities as an individual and collective responsibility;
3. Encourages positive race-consciousness and embraces human difference;
4. Supports institutional practices that both develop and sustain culturally responsive teaching and learning environments; and
5. Strategically builds support for and participation in equity-related initiatives across both our internal and external communities.

Clovis Community College seeks leaders who value placing the student at the center of everything we do, mentorship and working in a collegial, collaborative environment. Leaders should be open and willing to participate in culturally relevant professional development that will help them prepare for the population of students who attend Clovis Community College.

The ideal candidate will share Clovis Community College's commitment to educating its racially and socioeconomically diverse student population. For the 2023-2024 academic year, we enrolled over 15,000 students in which 51% identify as Latinx, 13% as Asian/Pacific Islander, 4% as Black/African American, 26% as White, 1% as American Indian/Alaska Native, and 4% as multiracial. Clovis Community College is a Hispanic-Serving Institution, reflecting the great responsibility that the College has to the educational attainment and economic well-being of the surrounding community. The successful candidate will join a department dedicated to providing services responsive to the students it serves.

- Bachelor's in any of the above **and** Master's in humanities; **or**
- A valid California Community College Credential; **or**
- The equivalent education and/or experience (**requires an equivalency**).

Notes:

If the degrees posted on your transcript(s) do not match **exactly** as stated above, you **must** petition for equivalency. "Master's in fine arts" as used here refers to any master's degree in the subject matter of fine arts, which is defined to include visual studio arts such as drawing, painting, sculpture, printmaking, ceramics, textiles, and metal and jewelry art; and also art education and art therapy. It does not refer to the "Master of Fine Arts" (MFA) degree when that degree is based on specialization in performing arts or dance, film, video, photography, creative writing or other non-plastic arts.

Desirable Qualifications:

- Experience and skill incorporating elements of diversity, equity, and inclusion into all areas of responsibility;
- Recent experience working with African American, Asian/Pacific Islander, Latinx, Native American, and other racially minoritized students in the classroom and an understanding of how historical patterns of exclusion of these groups in higher education shape patterns of participation and outcomes;
- Experience working with students of various cultural, gender, age, socioeconomic, and ethnic backgrounds including students with disabilities;
- Willingness to examine and remediate one's instructional, relational, and classroom practices to more effectively engage and support racially minoritized students;
- Related work and professional experience;
- Demonstrated ability to communicate effectively with students and staff;
- Demonstrated ability to work with computers, and other technologies, which are utilized in providing high-quality instruction and support to students;
- Prior experience in creating digital art, animation, video editing, or 3D modeling;
- Proficiency in a variety of multimedia tools, platforms, and processes such as:
 - Adobe Creative Suite (Photoshop, Illustrator, After Effects, Premiere, etc.)
