Position ID: 188009

General Statement:

For over fifty years, Quinsigamond Community College has provided opportunities for a first-rate education and personal growth to thousands. Some students choose to prepare for immediate entry into a career field. Some choose to transfer to bachelor's level programs at four-year colleges and universities, and some choose opportunities for personal growth and cultural enrichment. Quinsigamond Community College is seeking student-centered faculty and staff who are committed to the community college mission and actively engaged in promoting diversity.

This position facilitates learning for students enrolled in the Associate Degree in Nursing Program or the Practical Nursing Certificate Program. The ideal candidate will possess a combination of strong clinical skills and academic experience in nursing education. All positions may include day, evening, and weekend hours.

Supervision Received:

The full-time faculty member reports directly to the Dean of School of Healthcare

Supervision Exercised:

The full-time faculty member exercises supervision over assigned personnel.

Duties and Responsibilities:

- Provide classroom, clinical, simulation, laboratory and/or team-teaching instruction and facilitate individualized and non-traditional approaches to learning as appropriate.
- Develop and/or revise instructional materials with other faculty members.
- Develop and apply instructional methods that engage students of varying learning styles and abilities.
- Demonstrate professional nursing practice through the ability to teach in the nursing laboratory/clinical.
- Develop and apply assessment strategies that maximize the learning process and measure student learning outcomes.
- Actively participate in curriculum development and assessment, program review and the accreditation processes.
