General Statement

The QCC at Southbridge Site Administrator is part of a service area that is responsible for the coordination of Academic Affairs activities on the QCC at Southbridge Site. The Administrators acts as liaisons between Instructional Deans, faculty, and students. The administrators in this service area share the coverage of four weekday evenings when classes are in session and five weekdays as needed throughout the calendar year.

Supervision Received

The QCC at Southbridge Administrator reports directly to the QCC at Southbridge Coordinator of Learning Resources.

Duties and Responsibilities

- Serves as the instructional deans' liaison to faculty.
- Facilitates dissemination of information regarding daytime services of the college to faculty.
- Coordinates services to faculty by delivering messages and mail to classrooms when needed.
- Responds to student inquiry and support student academic needs.
- Serves as an information resource for all Academic Support Services personnel in the evening and on weekends when classes are in session.
- Using evaluation software oversees and assures timely implementation of contractually required student evaluations of evening faculty; assists in processing evaluation data using an automated data collection system.
- Uses software to prepare and distribute timely student evaluation reports and distributes results according to contractual requirements and with attention to the need for strict confidentiality.
- Keeps a log of activities accomplished by members of the unit and complies this data into reports used for planning and accountability.
- As a member of the Administration Team, communicates with other team members and day staff in a helpful, constructive, and collegial manner.
- Assesses teaching and learning needs and advises Supervisor and Instructional Deans when necessary.
- Maintains excellent communication with the College offices to ensure the provision of high quality academic services to evening faculty and students.
- Actively supporting the teaching and learning process; practicing honesty and integrity in and out of the classroom; striving to create and support a student-centered environment while fostering academic innovation and excellence.
- Working actively with other areas of the college to ensure a spirit of college wide collaboration,
