General Purpose

Under general supervision, supports student development of career skills and assists with applying for internships and job placement; serves as the liaison between the college or categorically funded program and the business community; performs advanced program/grant management support including preparing and analyzing statistical data and program metrics; and performs related duties as assigned.

Essential Duties & Responsibilities

The duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to this class.

1. Provides input in selecting, training and providing information, guidance and direction to other program staff and student aides on work procedures and technical, legal and regulatory requirements; monitors work for completeness, accuracy and conformance with department and legal/regulatory requirements and standards; monitors workflow to ensure mandated deadlines are being met in an optimal manner; assists in ensuring a fair, open and inclusive work environment in accordance with the District's mission, goals and values.
2. Oversees and participates in the day-to-day operation and service delivery of an employment center or in a specific categorically funded program; interviews and assesses students for employment readiness; schedules student appointments; assists students on the use of specialized software and the internet for job and career information searches.
3. Conducts workshops and one-on-one coaching in soft skills such as interview skills, corporate attire and professional etiquette; assists with resume development.
4. Develops job placement events ; actively researches potential job opportunities for students; acts as a liaison with local employers, government agencies and community groups in order to build partnerships, create job opportunities for students and funding opportunities; assists employers in identifying jobs that can be modified for students and provides information on disability awareness and reasonable accommodations.
5. Develops and maintains an employer database and job bulletins, internships and volunteer opportunities announcements; conducts follow-up surveys with employers and student.
6. Conducts and/or participates in on or off-campus career fairs, workshops, chamber of commerce and community presentations and special events; participates in networking opportunities and other outreach activities; plans and schedules events related to pathways majors; creates virtual events.
7. Participates in program tracking and data input and ensures District guidelines are met; maintains and audits spreadsheets, databases and reports; utilizes third-party portals and databases to
