Position Overview

We are seeking a dynamic and passionate Part-Time Math/English instructor to join our educational team. The ideal candidate will have a strong background in Math/English disciplines, a commitment to fostering a love for English, Science and Technology, and the ability to engage students through hands-on, interactive learning experiences. The Part-Time Math/English instructor will be responsible for designing and delivering Math/English lessons, conducting experiments, and inspiring students to explore and excel in the fields of English, Science, Technology, Engineering, and Mathematics.

Essential Duties & Responsibilities

- Plan and execute interactive Math and English activities for students.
- Inspire curiosity and interest in Math and English subjects.
- Foster a positive and inclusive learning environment.

Minimum Education, Experience, Knowledge, Skills & Abilities

- Strong background in Math or English (academic or professional).
- Excellent communication and interpersonal skills.
- Enthusiastic about teaching and mentoring students.
- Ability to create engaging and hands-on learning experiences.

Lee College does not discriminate on the basis of race, color, religion, sex (including pregnancy, gender identity and sexual orientation), national origin, age, disability, veteran status, genetic information or any other basis protected by law.
