POSITION DETAILS

About Rancho Santiago Community College District

Rancho Santiago Community College District (RSCCD) is one of the most established districts in the state and has been in operation for nearly 50 years. Located in the heart of Orange County, it is one of the largest of California's 72 community college districts, based on the number of credit and non-credit students. RSCCD encompasses 25 percent of Orange County's total area and serves a population of more than 700,000 residents in the communities of Anaheim Hills, Orange, Santa Ana, Villa Park, and portions of Anaheim, Costa Mesa, Irvine, Fountain Valley, Garden Grove, Tustin, and Yorba Linda. The district includes Santiago Canyon College and Santa Ana College, as well as the Centennial and Orange Continuing Education Centers, the Digital Media Center, the Joint Powers Fire Training Center, the Orange County Sheriff's Regional Training Academy, the College and Workforce Preparation Center, and the District Operations Center. RSCCD's three (3) auxiliary Foundations are actively involved in supporting both community and campus programs.

RSCCD's student population is a direct reflection of the diverse communities in the surrounding neighborhoods. As a whole, the district has the honor of serving approximately 55,537 students: 51% Hispanic/Latinx, 20% White, 9% Asian & Filipino, and 2% are African American. RSCCD is a proud Hispanic Serving Institution (HSI) and serves predominately historically underrepresented students. There is a commitment to foster student centered values among our employees to provide equitable student learning, academic excellence, and workforce development. By delivering high-quality educational programs and student support services, the district ensures that students have the appropriate resources to achieve their goals.

At RSCCD, our mission is to integrate diversity, equity, inclusion, accessibility, and justice into all aspects of student academics and employee relations. Thus, creating transformational experiences that prepares students and employees to engage in the world with a renewed sense-of-self. Through this commitment, Rancho Santiago Community College District strives to cultivate a learning environment that prioritizes respect, to ensure that RSCCD stakeholders feel valued and supported throughout their academic and professional careers.

About the Position

The ideal candidate will demonstrate cultural competency in serving diverse community college populations, including faculty, management, and students from varied ethnic, racial, cultural, and socioeconomic backgrounds. This includes those with differing abilities, AB 540 students, DACA recipients, Foreign Residents, VACA participants, and Continuing Education students. They will support RSCCD's mission to promote self-awareness, knowledge, and communication skills, enabling all members of the college community to participate creatively and confidently in an ever-changing world.

Candidates will contribute to an inclusive and collaborative workplace culture that supports the diverse needs of faculty, management, staff, and students. They will effectively provide services and support to individuals with differing academic preparation levels and unique learning or workplace needs, ensuring equitable access and opportunities for success. Candidates should demonstrate cultural competency, sensitivity, equity-mindedness, and a commitment to anti-racism in all interactions and contributions. Through their role, they will empower students to achieve their educational and career goals while promoting a positive and inclusive environment where faculty and management can thrive, fostering creativity, confidence, and lifelong learning throughout the college community.

Class Summary

Under general supervision - prepares and sets up materials for biology and/or chemistry laboratories and classroom demonstrations; orders supplies and maintains inventory for laboratories; and performs related duties as required.

Representative Duties

Reviews course plans with chemistry and biology instructors to determine laboratory needs; works within a budget in selection of vendors and ordering all supplies needed for stock; maintains stockroom and issues supplies by keeping accurate records; organizes materials, mixes chemicals and performs a practice run on experiments for laboratories and class demonstrations; oversees, cleans, and services laboratory equipment and machinery; checks for safety precautions; maintains laboratory areas, natural history museum and greenhouse; supervises several part-time student workers.

Organizational Relationships

This class generally reports to the Dean, but is under the direction of the Department Chair. This class directs several part-time student workers and serves as a liaison between the departments and the vendors of materials for the science laboratories and class demonstrations.

Training and Experience

Any combination of training and/or experience equivalent to completion of the standard first and second year college courses in biology and chemistry; or 2 years experience as a laboratory assistant.

Knowledge and Abilities

Good Knowledge of: the terminology, materials, supplies, equipment and procedures used in chemistry and biology courses; the ordering, receiving, checking, storage and issuance of supplies, materials and equipment used; safety practices with the various chemicals, materials and equipment used.

Knowledge of: business practices related to the files and paperwork of storekeeping; arithmetic.

Ability to: learn or utilize a variety of learning materials and equipment used in biology and chemistry labs, recommend procedures; operate, clean and maintain laboratory equipment; use good English; communicate effectively; establish and maintain effective working relationships with others; supervise and train part-time student workers; follow both technical and general oral and written instructions; perform some specialized demonstrations and experiments in the approved manner independently; oversee and coordinate the use of specialized lab or course areas; keep and maintain records; work carefully and safely with laboratory equipment and supplies; operate within a budget.

Additional Qualifications

Candidate must demonstrate clear evidence of sensitivity to and understanding of the diverse academic, socioeconomic, cultural, ability, and ethnic backgrounds of community college students, staff, and the community.

APPLICATION PROCESS

To ensure full consideration, all applicants must submit a complete Rancho Santiago Community College District online application that includes the items listed below by the position's closing date. Recruitment will review all applications for completeness, and only complete application packets will be forwarded to the screening committee for further review.

A Complete Application Packet Must Include the Following:

1. RSCCD Online Application
2. Resume - details all relevant education, training, and other work experience
3. Academic Transcripts (unofficial copies are accepted) - (Optional)

Foreign Degrees

Transcripts from countries other than the United States must be evaluated by an agency that is

approved by or a member of the National Association of Credentials Evaluation Service (NACES) or the Association of International Credential Evaluators, Inc. (AICE), or Commission on Teacher Credentialing (CTC).

Application Screening

Job announcements will include screening criteria to be used during screening and interviews. This may include, but is not limited to:

- Education experience (breadth and depth)
- Work experience (breadth and depth)
- Demonstrated ability to work cooperatively with others
- Bilingual ability (if needed)
- Demonstrated experience and sensitivity to diversity, equity, and inclusion.
- Professional growth activities
- Specialized skills training
- Leadership skills
- Written and/or oral communication skills
- Presentation
- Problem Solving.

Based on the information presented in the application materials, a limited number of candidates with qualifications most pertinent to the position will be invited to participate in the selection process, which may include a written test and an oral interview.

Meeting the position's minimum requirements does not guarantee advancement in the selection process. Candidate qualifications will be assessed to determine those who meet and exceed requirements and are deemed the most competitive in the applicant pool.

Interview

Applicants selected for an interview may be required to take additional tests or assessments and will be notified of such prior to the date of the interview. During the oral session, those selected for interviews will, in addition to the above, also be evaluated on the following factors:

- Oral communication skills
- Presentation
- Problem-solving skills

A predetermined set of questions will be asked of all applicants interviewed. Applicants are requested to provide thorough yet concise information on their related experience to ensure the correct evaluation of their qualifications. Evaluation criteria will be applied consistently to all applicants.

Disability Accommodations

Individuals who require reasonable accommodations in the Application or Interviewing Process in accordance with ADA should notify the Recruitment Office in the Human Resources Division at least two days prior to the closing date, by calling (714) 480-7455.

Conditions of Employment

The selected candidate is required to complete the following before employment as part of the onboarding process:

1. Present original documents for proof of eligibility to work in the United States.
2. Provide a certificate of Tuberculosis Exam.
3. Fingerprints (by a Live Scan Agency at the candidate's expense, and clearance must be received before the first day of employment)

EEO STATEMENT

The Rancho Santiago Community College District (RSCCD) is committed to the concept and principles of staff diversity and equal employment opportunity by prohibiting discrimination based on ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, physical or mental disability, gender identity, medical condition (cancer-related or genetic characteristics), marital status, citizenship, or service in the uniformed services, or on the basis of these perceived characteristics or based on association with a person or group with one or more of these actual or perceived characteristics. Applications from all persons interested in the position are encouraged.
