time, one-year temporary Mathematics Instructor position. This role offers an exciting opportunity to support students as they transition into college-level mathematics, particularly those enrolled in gateway math courses with corequisite support. As a math instructor, you will play a critical role in helping students build foundational skills, develop mathematical confidence, and achieve early academic success.

If you are passionate about student-centered instruction and supporting learners in their first college math class, this is your opportunity to make a lasting impact in the Reno/Tahoe community while collaborating with dedicated and innovative faculty.

Minimum Qualifications

1. M.S. or M.A. from a regionally accredited institution in Mathematics, or an M.S. or M.A. in Computer Science, Statistics, or Physics with 18 graduate credit hours in Mathematics.
2. One year of teaching experience at the post-secondary level.
3. Experience in teaching college level math with corequisite support.

Preferred Qualifications

1. Community college teaching experience.
2. Understanding of the mission and role of the community college in the context of a diverse learners
3. Experience with using graphing calculators, computers, mathematics and educational software and smart classroom technologies.
4. A Ph.D. in Mathematics or closely-related field with 30 or more graduate math credits.
5. Ability to teach all mathematics courses through Differential Equations

Academic Faculty Responsibilities

Candidates must exhibit an appreciation of, a sensitivity to, and a respect for a diverse academic environment, inclusive of students, faculty, and staff varying social, economic, cultural, ideological and ethnic backgrounds.

1. Teach 30 (15/15) credit or contact hours during the academic year, August through May, in various modalities as assigned, including in-person, hybrid, online, live-virtual (hy-flex), and at high-school sites (Jump-Start dual credit), per the needs of the program.
2. Support student learning outcomes assessment processes by teaching toward approved student learning outcomes and assessing student performance.
3. Assist with curriculum and program review, revision, and assessment. Aid in the development of new course materials and innovative instructional techniques that improve student learning.
4. Work closely with department peers and administrators to become an effective teacher and contributing member of the academic unit.
5. Attend and actively participate in College events, department and division meetings, college or Nevada System of Higher Education (NSHE) committees, and community service activities.
6. Engage in ongoing professional development to stay current in field knowledge and pedagogies that expand breadth and depth of understanding in the discipline.
7. Complete training outlined in TMCC's Faculty Standards of Online Instruction, when and as needed.
8. Hold 5 office-hours per week.
9. Participate in student advising, recruitment, and retention efforts.
10. Travel occasionally to community and workforce sites, conferences, events, and so on, per the needs of the program.
11. Communicate and interact in a professional and collegial manner with faculty, students, staff, and administration, in the best interests of the college and the people it serves.
12. Comply with departmental administrative responsibilities and published college and NSHE policies and procedures.
13. Uphold the Mission, Vision, and Values of TMCC and perform assigned duties in a manner consistent with them.
14. Adhere to the published codes of NSHE as detailed in the Board of Regents Handbook.
15. Adhere to the Code of Ethical Standards of the State of Nevada (Nevada Revised Statutes 281A.400-281A.480).
16. Other duties as assigned.

Additional Program and Department Responsibilities

1. Contribute to the department's culture of teaching and learning excellence.
2. Create course syllabi, lesson plans, instructional materials, exams, homework assignments and other relevant course documents, as needed, in accordance with department standards.

Truckee Meadows Community College is a comprehensive educational institution located in Reno, Nevada and is part of the Nevada System of Higher Education. TMCCs five instructional sites and numerous community locations serves an increasingly diverse population of more than 11,000 students each semester. TMCC, an HSI (Hispanic Serving Institution), is a progressive institution that celebrates inclusion and diversity while supporting core themes of academic excellence, student success, and access to lifelong learning.

A vital leader in the New Nevadas growing economy, TMCC is located near the beautiful Sierra Nevada Mountains in an environment rich with a thriving arts, culture, food scene, abundant outdoor activities, and a family-friendly local community. It is only a 3.5 hour drive to San Francisco, CA, a 40-minute drive to Lake Tahoe, and within easy driving distance of four national parks (Great Basin, Yosemite, Lassen, and Death Valley). For more information, please go to www.tmcc.edu or view our virtual tour at tour.tmcc.edu.

The Nevada System of Higher Education (NSHE) is committed to providing a place of work and learning free of discrimination on the basis of a persons age, disability, whether actual or perceived by others (including service-connected disabilities), gender (including pregnancy related conditions), military status or military obligations, sexual orientation, gender identity or expression, genetic information, national origin, race, or religion.
