**Health Occupations** 

Description

## Equity and Diversity

The District is strongly committed to achieving staff diversity and the principles of equal opportunity employment. The District encourages a diverse pool of applicants and does not discriminate on the basis of race, color, national origin, ancestry, sex, age, religion, marital status, disability, or sexual orientation in any of its policies, procedures or practices. In fact, the college encourages applications from all segments of qualified people.

## **Closing Date**

This position will close on August 14, 2025 at 11:59 PM (or when 150 applications are received, whichever occurs sooner).

## **College Profile**

Cerritos College is ranked 14th among the top 100 schools with the highest Hispanic enrollment in the United States by the United States Department of Education. Cerritos College serves as a comprehensive community college for southeastern Los Angeles County. Communities within the college's district include Artesia, Bellflower, Cerritos, Downey, Hawaiian Gardens, La Mirada, Norwalk, and portions of Bell Gardens, Lakewood, Long Beach, Santa Fe Springs and South Gate. Cerritos College offers degrees and certificates in more than 180 areas of study in nine divisions. Enrollment currently averages 20,000 students. Visit Cerritos College onlineathttp://www.cerritos.edu

## **Department Profile**

The Health Occupations Division houses the Child Development, Culinary Arts, Dental Assisting, Dental Hygiene, Medical Assisting, Nursing, Pharmacy Technology, Physical Therapy Assisting, and Speech Language Pathology Assisting Programs and trains students to obtain associate's degrees and certificates in these fields.

## Summary

Coordinates and supports day-to-day operations of health occupations skills laboratory. Provides inservice demonstrations and technical assistance to students and faculty in the use of the skills lab facility and equipment and feedback to instructors regarding student progress.

## **Distinguishing Career Features**

The Health Occupations Skills Lab Coordinator is a specialized instructional support position requiring

clinical skills in nursing and the ability to setup patient care simulations.

## **Job Duties**

## **Essential Duties and Responsibilities**

- Assists faculty in the use of skills lab facilities and equipment, resources, and applying concepts. Delivers in-service demonstrations to faculty on use of equipment, including new devices. Creates visual displays of hands-on manipulative processes.
- Provides support to lab activities. Reviews course syllabi and schedule, meets with faculty to discuss demonstrations and lab requirements. Identifies shortage of equipment and supplies, ordering materials as needed. Prepares practice packs for students.
- Provides assistance to students in the use of medical equipment and materials and development of clinical skills. Observes students performing specific healthcare skills, provides feedback, suggests additional learning resources to enhance skill mastery, and reinforces safe and best practices.
- Researches advances in equipment and materials and recommends inclusion to the labs. Initiates purchases and upon receipt checks operating condition.
- Maintains lab equipment. Checks working level of equipment, refers to operation manuals and vendor resources to determine maintenance needs and troubleshoot problems. Makes and/or reports needed repairs.
- Sets up and breaks down labs and demonstrations. Evaluates room layouts and number of students, organizes equipment and simulations to consider activity flow, viewing, participation, and foot traffic. Removes and relocates equipment for further use.
- Guides the work of student workers and other instructional support in the setup, cleaning, and removal of lab equipment. Assists faculty by orienting students to equipment.
- Maintains data and prepares reports for Skills Lab use and operations. Documents scheduling of rooms, budgeted expenditures, accidents, and student attendance. ?
- Enhances external resources by maintaining relationships with healthcare organizations. Hosts healthcare meetings, conducts tours of classroom labs and healthcare facilities, and arranges for vendor demonstrations. Talks to local schools, labs and other organizations.
- Maintains a safe and secure learning environment. Assures that labs are orderly and have sufficient containers for disposal of materials. Educates staff on the importance of proper body mechanics and footwear when lifting and moving equipment and patients.
- Enforces procedures for the security of physical inventory and medical supplies.
- Maintains currency in knowledge and skills related to the duties and responsibilities.
- Performs other related duties as assigned.
