Part Time

Position ID: 190650

General Statement

Adjunct instructors teach courses within a specific discipline to a diverse student population on our main campus in Worcester and/or at additional satellite locations within our service area. We are especially interested in instructors who are qualified to teach general biology, organismal biology, and anatomy & physiology courses. Courses assigned are primarily day courses, and responsibilities include instructional preparation, assessment of student performance and assistance to students. Adjunct faculty will attend a limited number of faculty meetings.

Job Requirements:

Minimum Qualifications

- Master's degree in Biology/Science Education or related discipline
- One year of successfully teaching General Biology and/or Anatomy & Physiology lecture and laboratory in high school, or successfully teaching General Biology, Organismal Biology, and/or Anatomy & Physiology lecture and laboratory to Health Care majors.

Preferred Qualifications

- Documented examples of syllabus / course development and assessment
- Demonstrated experience using a Learning Management System;
- Demonstrated experience in using technology in the teaching of biology in the classroom, including publisher web-based content;
- Demonstrated ability to collaborate with other Biology instructors;
- Demonstrated experience teaching in a remote videoconferencing modality;
- Ability to teach day, evening or weekend
