General Statement

For over fifty years, Quinsigamond Community College has provided opportunities for a first-rate education and personal growth to thousands of area men and women. Some students choose to prepare for immediate entry into a career field. Some choose to transfer to bachelor's level programs at four-year colleges and universities, and some choose opportunities for personal growth and cultural enrichment. Quinsigamond Community College is seeking student-centered faculty and staff who are committed to the community college mission and actively engaged in promoting diversity.

This position facilitates learning for students enrolled in any of the Mathematics courses. The ideal candidate will possess a combination of strong commitment to student success, equity in college Mathematics education, and academic experience in Mathematics.

The full-time workload for this position may take place in Worcester, Southbridge, or any another QCC instructional location.
