2. Previous department chair(s) (for faculty) or supervisor(s) (from within the past five (5) years);
3. Master's thesis or Doctoral Dissertation advisor or supervisor (for faculty);
4. Colleague(s) or co-worker(s) who can address professional competency and skills relevant to the position; and/or
5. Other professional references.

Please note, professional references are typically contacted when a candidate is selected for, or as a finalist for, a position.

## Description

**Application materials must be received by 11:59 pm on Monday, February 2, 2026.**

The ideal candidate for this position is an equity-minded individual who understands the importance of creating opportunities in Science for students who have been historically underserved. Saddleback College seeks candidates who view the elimination of inequities as an individual and collective responsibility and who strive to reframe inequities as a problem of practice. In addition, the ideal candidate demonstrates a commitment to student-centered teaching practices, effective cross-disciplinary and cross campus collaboration, transparent decision-making, and purposeful service to the community. The ideal candidate will embrace the role of an educator who is continually learning anti-racist pedagogy and adapting to the needs of a diverse student population.

### **Summary of Duties and Responsibilities:**

Duties and responsibilities as presented are intended to be representative and not restrictive. The District reserves the right to modify the assignment and allocation of duties in accordance with any changes in District policy and/or the faculty collective bargaining agreement.

Teach lecture and laboratory courses for Fundamental Chemistry, General Chemistry and Allied Health Chemistry.

Promote appropriate safety practices in the laboratory.

Assignments may include day, evening or weekend hours.

Teach Science and related courses to a diverse student population.

Instruct and assist in the growth and success of a diverse population of students through careful preparation of course materials, effective teaching methodologies and informed critical feedback on assignments and discussions in support of student success.

Develop culturally relevant course content, culturally responsive pedagogical techniques, and effective practices for engaging students who are diverse and/or are students who are historically underserved. The ideal candidate should have experience with relevant pedagogical techniques to engage diverse student populations such as African American, Chicanx and Latinx, Native Americans, Asian American and Pacific Islanders and other disproportionately impacted students.

Participate in curriculum development and serve on department, division/school, college and district committees as necessary to maintain and improve the instructional program; participate in appropriate professional development activities.

Engage in co-curricular activities, including planning, implementing, and teaching in special programs designed to support student success.

Participate in the formulation of Student Learning Outcomes (SLOs) and the Student Learning Outcomes assessment cycle.

Maintain formal office hours; stay current on information as discussed in department and division/school meetings.

Provide an average of one (1) hour per week of college service that supports the division/school, college and/or District goals through active participation in one or more of the following categories: committee work on the department, division/school, college, and/or district level; non-classroom college, district, or community activities; department/division/school
