- Ability to use Canvas or other LMS platforms
- Ability to interact with others (faculty, staff, students, administration)

APPLICATION PROCEDURES:

VISA

Victor Valley Community College does not sponsor Visas such as H1B Visas.

To be considered a candidate for this position, all materials required should be received in the Victor Valley College Office of Human Resources by the First Review Date. If a file is not complete by the First Review Date, the application may not be considered by the Screening Committee.

It is the applicant's responsibility to ensure that all requested materials are received. All material included in the application packet become District property, will not be returned, and will not be copied.

All information qualifying an applicant for the position must be included on the Victor Valley College application. If it is unclear whether an applicant meets the minimum qualifications for the position from the application, that applicant will be disqualified.

Please note, the only form of communication you will receive throughout the recruiting and hiring process will be through email. It is your responsibility to check your email for any upcoming testing and/or interview dates. This recruitment may be used to fill future vacancies.

Please note that the information provided on the application must be complete and will be the only information used to determine qualifications for the position. If it is unclear whether an applicant meets the minimum qualifications for the position from the application, that applicant will be disqualified.

To request a reasonable accommodation due to a disability to assist with completing an application, please contact the Human Resources Department before the listed closing date at (760) 245-4271, extension 2500, or by email at jobs@vvc.edu.

A complete file consists of all of the following:

1. A completed Victor Valley College application electronic form.
2. A letter expressing interest in the position.
3. Copies of transcripts showing college degrees and coursework. **NOTE:** Degrees must be from an accredited institution. It is the responsibility of the candidate to include U.S. evaluations of non-U.S.
